THE BRENTONIAN

Déjà vu...

The Brentonian

... and something new

Brentwood College School
Box 1000, Mill Bay, B.C.
Canada V0R 2P0

otograph by J.B. Garvey

DEDICATION

We dedicate this yearbook to Steve Cowie who, on short notice, gave up three weeks of his summer to assist in the completion of this year's **Brentonian**. As the editor of this publication for the previous five years, Steve came as our salvation in a time of need. The swift and accurate slice of his X-acto[™] knife, the perfect picture placement, and the creative Cowie captions inspired those of us who worked under his guidance this summer. In true Brentwood style, Steve passed us the torch. For this we are grateful. In true biblical style, Alex Whitehouse wrote the tribute below to 'our saviour'. Steve on behalf of all of us who worked on the Yearbook this year, and all of us who enjoy flipping through its pages once published, we thank you for all your help.

- Cari Adair, Beth Melhuish

The Coming of our Saviour

And so it was prophesized by the Ark Angel Andrea,
who set forth unto the holy and blessed land of Brentwood,
there shall be a hero of great strength and wisdom,
called Cowie, Steve, Coos, or just SMC.

And he shall construct a book,
cataloguing Brentwood's greatness,
in chapters called years.
To build this book of years he shall be assisted
by the too-many-to-count apostles
Coming from the lands, of America, Mexico,
and, yes, even the Yukon
to herald his greatness, and bless his name
for he is good.

And he shall receive the gratitude of his followers,
who shall not disdain him for the one crooked line.

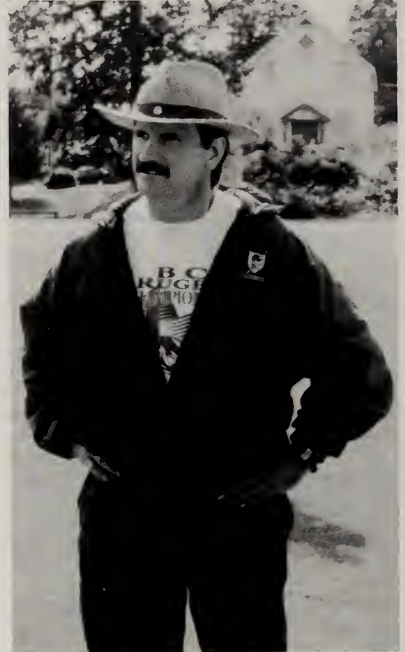

And, after the fifth year of blessed work
he shall sacrifice himself,
for the holy good of all Brentkind,

And there shall arrive a time of great need,
when the apostles sojourn
and the new high priestesses of years are left
to complete the colossal task - unenlightened.

At this, the darkest hour of the book of years,
The saviour shall come again,
in a blaze of glory, on a peddled chariot
and ye shall know him by the full mustache
and dark brown eyes.
And he shall be armoured in cotton,
the little alligator on his shirt as foretold.

And assisted by a quiet Duncaner,
a fisherman from Chemainus
the blessed Kinkead,
And with the high priestesses of years,
the saviour shall finish the book
and depart again
to preach literature and history to all

And thus it was.

Editors' note

Last year's twosome evolved into this year's triumvirate as editors of the **Brentonian**. We offer special thanks to Catherine Kinkead who helped Alex Whitehouse in the summer with the huge task of desktop publishing. The other members of the team, to whom we are sincerely grateful for their work are:

Amber the reliable
Dimi da filer
Eleanor the eveready
José the obscure
Sam the snapper
and last, but not least **Alexander** the great.

Brian the brief
Dylan the dependable
Jonathan the jester
Lauren the laudable
William the worrier

- Beth Melhuish, Cari Adair, Steve Cowie

SALVETE

RICHARD CURRY

Richard was born in Watford, England, and was educated at Dr. Challoner's Grammar School, Amersham. He received a B.A. in Natural Sciences from the University of Cambridge, and a Ph.D. in Geology from the University of St. Andrews. He also earned a teaching certificate from the Institute of Education at the University of London. Richard's principal interests are music, geology, and his family. His time as a musician has been spent mostly as a horn player, recently as principal horn with the Civic Orchestra of Victoria and a local wind ensemble. In his first year at Brentwood College, Richard taught a combination of Geology, Physics, Computer Resources, Mathematics, Creative Science, and Computer relaxation techniques for teachers, as well as participating in the fledgling Brentwood Masters' rowing programme and the staffroom crossword-solving group.

ALISTAIR HARDIE

Alistair was born in Scotland and was raised in a small town near Edmonton, Alberta. He joins us from the University of Alberta where he was working on his M.Sc. in freshwater biology. An outdoor enthusiast, Alistair loves many sports such as back-packing, sailing, golfing, fishing and skiing. This past year at Brentwood he lived on campus in Privett House, he assisted with the BCS computer system, and he ran the Environmental and Fishing clubs. He was also an Assistant Coach of soccer and sailing.

TONY MEDINA

Tony was born and educated in Australia where he received his Diploma in Physical education from Sydney Teachers' College. His passion for Rugby led him first to England and then to Alberta where he graduated from the University of Calgary with a Bachelor's Degree in Physical Education. After leaving the teaching profession, Tony became a successful businessman in the hospitality field. Since moving to Vancouver Island Tony has coached the Cowichan Rugby Club to a provincial championship, the VIRU representative team to three consecutive cup wins while at the same time assisting with the B.C. Senior Men's team. He is a Level III rugby coach and coaching co-ordinator for Vancouver Island. This past year, Tony was the Director of Athletics at Brentwood.

VALETE

GRANT KEANEY

Grant has given Brentwood great service for two years as an English teacher, and a coach of rugby, basketball, ultimate frisbee, and touch football. He was also the lead singer of the staff rock-and-roll band, *Liar's Dice*. Grant developed strong personal bonds with staff and students alike; he will be missed by the boys of Rogers House, to whom he was the Assistant Housemaster for this past year. As Grant goes on to pursue his teaching career goals, our best wishes go with him.

Faculty

"The best laid plans o' mice an' men, Gang aft agley."
"What though the field be lost?"

"They also serve who only stand and wait."
Below: "They looked as cheerful as any could do in that conditon."

"The world is too much with us."

"At every word a reputation dies."

"If music be the food of love..."

Liar's Dice

The Cosmic Debris, a Vancouver Island music magazine described our band, as "seasoned valley musicians." The reality, however, is that the short lived Liar's Dice project featured one quality musician (Jaron Good) and three 'wannabe's' - Ian "Sticks" Henry, Clayton "Fret" Johnston and Grant "Thor" Keaney. We did manage to play a few gigs at the Cobblestone 'Library' as well as the Java Hut Cafe. Alas we have all divided to pursue solo careers: Jaron Good as a warm-up for Marilyn Manson; Grant Keaney with the Montreal Ballet Company; Mr. Johnston will be touring Duncan with Emily and Samantha as back-up singers, and Mr. Henry will be playing with himself.

Thanks for the support and the thousands of letter to the Liar's Dice Fan Club.

-Clayton Johnston
For: Rubin Kinkad (manager)

"Drink to me only with thine eyes."

"Much ado about nothing."

"Alas, poor [students], I knew them well."

"What oft' was thought but ne'er so well expressed"

"A little learning is a dangerous thing."

"Yon' **Backer**, has a lean and hungry look. And men like that are dangerous."

"She walks in beauty."

"For so are they all - honorable."

"Why so pale and wan, fond lover?"

"For fools rush in where angels fear to tread."

Awards Day Address:

W.T. Ross, Headmaster

Before commencing our Awards Programme, one which will recognise the work of individuals and their special attributes, I want to reflect for a moment or two on the broader themes which characterize our aims and aspirations. And I have to say, once again, that the process which leads to excellence is far more important than the prize which is given to recognize it.

With this thought in mind, I want to highlight commendation, the recognition we give each month to those who work as hard as they can to be the best they can be. Some of these people may not appear on the platform today. However, their aims, their aspirations, the work they do to achieve their goals, represent the soul of our school. In this sense, I can be very inclusive. Indeed, since each and every student before you, today, has grown, has changed, I commend all of them.

In service, academics, sports, and fine arts, underpinned by much talent, a tremendous pool of energy and great spirit, our students have attained regional, provincial, national, and international athletic, artistic and academic recognition. It truly has been an immensely enriching and reassuring year. However, if the process which leads to excellence is more important than the prize given to recognize it, what do we learn from the winning of a world championship? What do we gain when a gold medal has not been won, but a bronze has been achieved?

What is learned when a trivial dormitory dispute is settled harshly? What do we learn from an unexpected act of kindness? On one hand, what does a 40% score mean and, on the other, what do we learn from achieving a near perfect result in a national physics or math contest?

Now, I begin to reject my rhetoric. To answer these questions I thought of the many conversations I have had with students during the year. I recalled the letters or essays I had received and reviewed. It is to these student voices that I now turn. The themes were: **education for self-awareness and self-reliance; education for tolerance, compassion, and help; education for growth through criticism and praise; education for ethics; education for knowledge.** How does a student, or for that matter anyone, learn who he is, what he is, and what he stands for?

Searching for self-awareness, a Grade 11 student made these observations, and I quote: "Although my outlook on life has caused me countless social rejections, I've always felt comfortable being alone rather than selling a part of myself to be accepted. However, I've been feeling, lately, that I may be on the verge of doing just that. I think the social game is a stupid extra hassle. But what makes me a little jealous is people's apparently perfect happiness in going along with it. It seems to me like the majority of people are able to accept the

back-stabbing and in-crowd rotation of society as a fact of life and do not have the burden of justifying their actions to themselves. Sometimes I wish I could be just like that and, if I wanted to, I could. I have spent sixteen years studying the social interaction of humans, if I wanted to fit in, I know what to do."

He continues the search, by saying: "Being coming that spineless scares me, but going in the other direction scares me almost as much. I know I have the strength to be completely individual and ignore the social mores. Still, from my observations, someone completely does what he feels like, and forms his own philosophy, he is either wholeheartedly accepted by the world, or totally shunned. I could go the tortured, eccentric genius route, but I am not sure if I want to risk ending up in jail or a psychiatric ward, or at worst, being completely alone, because my opinion on something differed from the rest of society's."

At Brentwood, we argue that our programmes and the personal relationship formed here must increase the capacity of each student to discern, to think independently, to distinguish, to be self-reliant, to find answers to support the identity-seeking process so clearly implicit in Liam Cooper's essay, from which I have just quoted, entitled, "At the Threshold".

Education for tolerance, compassion and help. Recently, I received another provocative letter from one of our graduates. She commented, in praise and criticism, about her Brentwood experience, saying, and I paraphrase: "Please shine more light on the need for tolerance, compassion and help". The writer further says, and I quote: "We are capable of caring for one another, but like everything else, it takes practice and self-discipline to set aside our trivial day to day pursuits to help those more needy than ourselves. At Brentwood, we are very focused on three elements: academics, sports, and fine arts. But we need more interaction with those who are disadvantaged, either physically, mentally, economically, or by the environment in which they live." The thoughts of this student prompted me to think of our school motto: *Manu in manum* - "From hand to hand".

Samantha Bailey, Grade 12, from whose letter I have just read, reminds me that our school motto demands that we willingly - or, more aggressively, use our education to help those not so fortunate as ourselves.

On several occasions this past month, a member of the Grade 8 class and I exchanged views. We spoke many times as we passed each other in the corridors. The time we had together was too short, but it did not diminish the importance of the theme which emerged. It was: **education for growth through criticism and praise.**

I summarized his feelings in a wellwritten letter, saying: "Mr. Ross: first, let me start by congratulating this group. I congratulate them for impressing me as a student, as well as impressing all of the faculty, parents, and many others who had the privilege of participating. But moving into the critical part of my letter, I can recall many hours that I spent learning what I was doing wrong. However sir, it was not often that praise was mentioned. We did grow. Quality was higher, but the teachers should try to offer more encouragement for those less talented in the class."

Studies and Gentlemen, the process which leads to excellence must be about growth. The foundation for growth is mutual respect, constructive criticism, and caring. In the words of James Deck, Grade 8, my correspondent in this case, criticism at

times may have to be harsh, but it must be balanced by praise, love, and caring. I think we all agree.

This next voice is from a letter of apology which I received from a young man, now in Grade 9. It has to do with discerning good from evil. It has to do with **education for ethics.** I paraphrase: "Mr. Ross, now all I ask for is one more chance. I will never be as good as Blaine or Andrew, but it is my goal to come extremely close. If progress reports showed behaviour, it would be my goal to get a four effort rating in that subject. I will stay out of your office until June. I will not pester my teachers by misbehaving as I know how annoying it is when people waste my time. I will not hang around Derek in my class. I will impress my parents with my grades, my effort, and my behaviour. I will be Brentwood College material".

Education must help an individual to discern between good and evil. Teachers, parents and students, alike, must strive to be morally sound. The education here must be rooted in respect for what is good. Life is full of choices. Scott Wood, Grade 9 Class, whose words you have just heard, most articulately addresses this point.

Mr. Prowse's lessons, Mr. Johnston's discussions about ethics, debates arranged and convened by Mr. MacLean, pure science delightfully spoken of by Mr. Tate, Mrs. Widenmaier's enthusiasm for English Literature, surely must lead to a degree of self-awareness, self-confidence, knowledge and wisdom. To illustrate, I use a voice from our senior class. This young lady begins with a quote. Listen to her: "The world only exists in your eyes - your conception of it. You can make it as big or as small as you want to". This quote is attributed to F. Scott Fitzgerald.

She goes on to say: "I left home at the age of fourteen for a boarding school on Vancouver Island. Unfortunately, I did not find the refuge I had been seeking. Instead, being away from the familiarity of the life I had known for so many years left me very insecure and desperately homesick. I cried myself to sleep every night, rarely smiled, and never laughed. Something, a part of me, was missing, but the answer was elusive. I had not yet realised that, as the writer Agnes Repellier said: It is not easy to find

happiness in ourselves, and it is impossible to find it elsewhere. After six months of tears, I left school and returned home, promising that I would never look back, wanting to forget the unhappiness and to find my place in the sun".

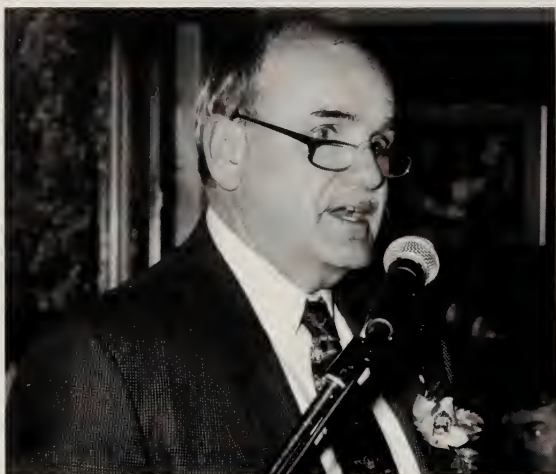

With wisdom, she continues: "But I simply couldn't let myself be beaten by my fears; I couldn't let my life be darkened by the memory of the school that I had run away from". So perceptively, she confirms that "unhappiness is not something that can be forgotten. Courage led me back to the boarding school and the people there that I had been terrified of. But this time I believed in myself, and that self-confidence has made all the difference."

The beautiful, concluding statements are filled with insight: "The past two years have shown me the way back to the person I knew when I was a little girl, someone who looks at the world with eyes full of wonderment and amazement, who is always smiling, and who loves to laugh. I learned that this school, like life, only gives you back what you put into it. I have given it my heart and it gave me back myself. Every day I learn, every day I grow, and every day I try to give something back to those who have given me so much. My sun is rising and the day has just begun."

Education for knowledge and wisdom: education for life. The writer, Cristina Fuller, graduating today, at the end of her essay, said: "Dear Mr. Ross: Thank you." I say to Cristina, Samantha, Scott, James, and Liam: Thank you. You are five voices. But you speak for a number which is many times greater. Every student and every teacher in this school should be able to claim similar thoughts. If this is true, you, the students of Brentwood, you, our families, and you, the Faculty, have fulfilled your mission.

Congratulations!

Speech Day - The Speakers

Special Guest Speaker: Mr. Art Crooks

Head of School: Chad Danard

Class Valedictorian: Edward Mason
Assistant Headmaster: Mrs. Andrea Pennells

Director of Academic Counselling: Mr. N.R.B. Prows
Assistant Headmaster: Mr. John Garvey

Awards Day Address:

**Mrs. Lynn Eyton,
Chairman of the Board**

BOARD OF GOVERNORS

Mrs. Lynn Eyton - Chairman (Calgary)
Bryan Scott-Moncreeff - Secretary (Sidney)
C.C. (Kip) Woodward - Treasurer (Vancouver)
Gordon Allan (Vancouver)
Howard Addison (West Vancouver)
Bruce Carlson (Langley)
Art Crooks (Lethbridge)
Dr. Anne-Marie Decore (Edmonton)
Vern R. Fauth (Calgary)
Mrs. Andrea C. Flaa (North Vancouver)

Mrs. Frances Plaunt Hall (Calgary)
Philip D.P. Holmes (Victoria)
George Killy (Vancouver)
David Mitchell (Vernon)
Colin P. Rutherford (Victoria)
Mrs. Barbara Stone (Duncan)
Ms. Judy Stewart (Victoria)
Richard Stroble (Seattle, Wa.)
Maury G. Van Vliet (Edmonton)

HONORARY GOVERNORS

Brian Bramall
Peter A. Cherniavsky
David D. Mackenzie
John W. Pitts
Mrs. Gordon T. Southam
Hugh R. Stephen
H. Richard Whittall

Special Awards

Above: The Yarrow Shield: Adam Scheuer

Above: Peyton Trophy: Amber Palmer

Below: Appleton Trophy: Byran Meier and Jennifer MacLean

Below: Powell Cup: Ian Bishop and Megan Stone

Above: The T. Gil Bunch Cup: Geoff Mullins.
Geoff also won the Butchart Trophy.

Above: Mary Brooks Law Award: Tam Boyar

Below: The Brentonian Shield: Jasmin Wright and Natascha Kiernan

Grad Hall of Fame

1. Biggest feminist/chauvinist: **Natasha Kiernan/ Marcel Martell**
2. Best couple that should have been: **Chris & Michelle**
3. Biggest oxymoron: **Rich Truman**
4. Most likely to attend class reunion 2020: **Megan Stone**
5. Most likely not to attend class reunion 2020: **Jon Coleman**
6. Most likely to become a candidate for the Reform party: **Byran Meier**
7. Most likely to become a philosopher: **Takuo Suzuki**
8. Bearing most resemblance to Gumby: **Ted Mason**
9. Most likely to fall asleep on the job: **Natsuki Kurosu**
10. Next Bill Gates: **Ergun Gurak (E.G.)**
11. Most likely to dance on Electric Circus: **Pete Woodward/Amber Palmer**
12. best dressed: **Rob Moller/Dimi Gratzionis**
13. Next Rosie O'Donnell: **Maureen Brown**
14. Most likely to cause a traffic jam: **Drie**
15. Teacher's pet: **Marco Rusconi**
16. Best name: **Ergun Gurak (E.G.)**
17. Next Bruce Lee: **Takuo Suzuki**

Valedictorian Speech

Honoured Guests, Ladies and Gentlemen, Members of the Faculty, and Fellow Graduates:

I am honoured to be representing the Graduating Class of 1997. This day marks a memorable chapter in all our lives. I must confess that at some point, along with others, I started desperately to count the weeks and the days until the end of the school year. Ironically, it's here. And I do greet this day as joyfully as I thought I would. Although it will be exciting to leave and venture out into the real world, saying goodbye to a place as unique as Brentwood will not be easy.

Looking back on my last four years, I have seen many changes, not only in myself, but in others around me. I recall my first nights in Grade Nine: the cell bars would shut and the words "Lights out!" would ring through the halls of the dormitory. I remember quivering in my rickety bunk bed, collapsed one night and nearly killed my roommate during his beauty sleep, and thinking to myself: "This place is not for me. . . . I am not going to make it. Brentwood? . . . What on earth could my parents have been thinking?" . . . But as the time passed, I began to adapt and I met many interesting and diverse characters, from the cheery and a little obnoxious girl who looked like Punky Brewster and yelled at everyone in the cafeteria, to the guy with a smile-of-a-kind who resembled Homer Simpson. I began to realize that this place was not as threatening or as awful as I had at first predicted.

Yes! Brentwood! . . . What a range of personalities and lifestyles. Just look around. Where else is there to be found such a wondrous campus with so many fascinating and unusual, if not wacky people? Where else would you find a place where, when the sun is out in full force, it shines down relentlessly. And when it rains, we are not quite as fortunate because here, when it rains, it rains, and it rains . . . and rains!

The honoured class before you, today, represents a colourful mosaic of interests, talents, and achievements. As with every year, Brentwood has amazed the competition in athletics. Considering its minute school population, it is simply awe-inspiring to note the outstanding successes which have been secured in individual and team sports. The performances in fine arts from choir to dance, drama to music, were amazing. They were paralleled by other masterpieces created in the visual arts which included photography, art, sculpture, and pottery. Blended together as one, the class has definitely made its mark in the legacy of Brentwood excellence.

Reflecting upon my time here, at Brentwood, I realize that we are what some teachers have called us: "A great bunch of people!" We have encountered challenging situations and new experiences over that time, not least myself. Many of us have been close friends since day one. Earlier, not all of us were a tight group. But as time has passed, we have developed a respect for one another that has endured and will, I hope, be sustained. Attitudes have changed as the maturity level has grown. I admit that a lower level of maturity has been exhibited occasionally. Well alright, more than just occasionally! But seriously, I hope that any flaws or errors in judgment have been forgiven and forgotten. I think we truly are "a great bunch of people". We are different. We value our differences. We are, still, to use a current phrase: a "healthy pluralism". Just look at our hair: those of us who still have it! But in our various ways to express ourselves, to share experiences, and to voice our opinions, we have joined together to become a united and effective group. For this we owe a debt of gratitude.

The staff at Brentwood has played a huge role in molding us into the individuals we are today. I used "molding" in a rather ambiguous way. From the free hearing tests delivered by Mr. Prowse, daily, to the lessons in 'how to prevent staying awake' from the legendary Mr. Lironi, we must thank

each and every member of the Faculty in ways which words simply can not express. We are all especially indebted to our families. Great sacrifices have been made, the greatest of which, by our parents. They ensure a positive future for us, they have denied themselves the opportunity of seeing us develop every day. All the support they have given us is, in every way, appreciated. We want you to know that, from the bottom of our hearts, we thank each one of you. For this, we promise to be good this summer. (Note to parents: read into this "promise" however you want).

In retrospect, Brentwood is just one page in the book of life. The book is filled with accumulated memories of personal experiences. When our lives are complete, Brentwood will still be just one page in an epic 'War and Peace' novel. But I am confident that, wherever Brentwood lies in this book, it will be a page that has creased the spine. It will be a page that opens automatically, whenever the book is laid on the table. No matter what each one of us may pursue and experience in our lives, Brentwood will always be remembered for the profound impact it had on each one of the graduates gathered here today.

Ladies and Gentlemen, Mr. Ross, members of the entire staff of Brentwood: thank you for celebrating this unique occasion. Thank you for proofing this significant chapter. Now, as a climactic year draws to an end and we all part and go our separate ways, it will be tough to let go. I know, however, that whenever our paths cross again, we shall be able to pick up exactly where we left off. This will be possible because of the close, intertwining relationships we have shared during our Brentwood experience.

May these times be remembered in the future. May the stories, short and tall, have no endings; only beginnings.

Once again, we deeply thank you.
Farewell.
Ted Mason

HOGAN MEMORIAL SHIELD

For a Grade 8 student whose citizenship is unquestionable and whose leadership potential is couched within a lively and positive personality.

WINNERS:

Matt FOULGER Tara MEDINA

Runner-Up:

Morgan Bayliss

DAVIS AWARD

For a Grade 9 student whose impressive academic effort is complemented by responsible citizenship and a strong co-curricular contribution.

WINNERS:

Craig CROOKS Charlotte MANNING

Runners-Up:

Selene Amezcua, Edwin Li, Grant Taylor

BRENTWOOD TROPHY

For a Grade 10 student with an outstanding degree of selflessness indicated by a strong desire to serve the community and the school as a whole.

WINNERS:

Brian NICHOLLS James WOOD

Runners-Up:

Joelle Plomb, Rebecca Kinkad

MACKENZIE AWARD

For the superior academic student of the Junior School.

WINNER:

Karis LOVE

Runners-Up:

Derek Keeper, Johnny Lu

PAUL LOVE AWARD

For a student in Grade 11 whose creative energy and individuality is underpinned by a strong sense of community. In memory of Paul Love, a spontaneous free spirit, whose good nature and lively humour brightened the lives of his family and friends.

WINNER:

Paul KENWAY

Runners-Up:

Graham Myrfield, Katie Mills

MICHAEL IPATOWICZ MEMORIAL AWARD

For a graduate who has been at Brentwood in Grades 10, 11, and 12, and who carries a courageous spirit of adventure through a wide range of interests and activities. He or she is an individual who combines a strong self-belief with a touch of daring while striving for perfection. The rubric is captured in the phrase, "Believe in yourself."

WINNERS:

Leigh ARIS Henry FLETCHER

Runners-Up:

Reed Osler, Samantha Bailey

KATHLEEN BRYAN MEMORIAL AWARD

For a female graduate who, in her response to Brentwood, ultimately demonstrated a respect for the feeling that close meaningful personal relationships formed the basis for growth and personal development through our programmes.

WINNERS:

Margot ELWICK Adele SACKS

Runners-Up:

Cristina Fuller Jennifer Allard

CALLIN FAMILY AWARD

For a student in Grade 10, 11, or 12 who is a loyal, enthusiastic, buoyant citizen, caring of the community and keen to do well academically, athletically and artistically.

WINNERS: Megan JONES Mark HODGSON
Runners-Up: Karen Wilcox Ivan Wong

GRADUATES AWARD

For a graduate who is held in high regard by the other members of the senior class, not so much for any outstanding accomplishments though there may be many, but rather for the quiet but courageous manner in which he or she has reached out and embraced wholeheartedly any and every challenge.

WINNER: Scott MEYER
Runners-Up: Josef Goetz Douglass Scott

BRUCE M. HICKS PUBLIC SERVICE AWARD

For a student who, through his or her action, has done the most "to ameliorate the conditions of disadvantaged individuals or groups" (Canadian Charter of Rights)

WINNERS: Megan PATERSON Marco RUSCONI
Runner-Up: Lindsey Sweet

PEYTON TROPHY

For an outstanding citizen in recognition of a strong contribution to both Athletics and Fine Arts.

WINNER: Amber PALMER
Runner-Up: Tam Boyar

POWELL CUP

For Senior Citizenship: for this we seek a student with an outstanding degree of selflessness indicated by a strong desire to serve the community and the school as a whole.

WINNERS: Ian BISHOP Megan STONE
Runners-Up: Scott Meyer Ben Lewis

MARY BROOKS LAW AWARD

For the student from any grade in the school who shows "promise and strength of character and personality".

WINNER: Tam BOYAR
Runners-Up: Marco Rusconi, Jocelyn Gallagher

HEADMASTER'S SPECIAL AWARDS

For members of the graduating class who are considered by the Headmaster to have given some outstanding service to the school and through whose personal presence the school's society has been considerably enriched.

WINNERS: Aviva ABRAMOVICH, Chad DANARD,
 Douglass SCOTT, Jocelyn GALLAGHER,
 Ben LEWIS, Jacqueline GREGORY,
 Sean PAN, John PARK, Cristina FULLER

THE BRENTONIAN SHIELD

For the graduate who has done the most to encourage a love of scholarship, through either personal attitude and achievement or assistance to others.

WINNERS: Jasmin WRIGHT and Natascha KIERNAN
Runner-Up: Geoff Mullins

BUTCHART TROPHY

For the Dux, the leading academic student of the Senior School.

WINNER: Geoff MULLINS
Runners-Up: Jasmin Wright Jason Oh

APPLETON TROPHY

For senior leadership, recognising outstanding strength in leadership and ability to organize intelligently, together with a personal charisma which attracts others to follow his or her example.

WINNER: Byran MEIER Jennifer MacLEAN
Runners-Up: Amber Palmer Megan Paterson

THE YARROW SHIELD

For the student in the graduating class who displays, in addition to scholastic and athletic excellence, stability and strength of character together with a willingness to serve:

WINNER: Adam SCHEUER
Runners-Up: Tam Boyar Chad Danard

THE T. GIL BUNCH CUP

For the student in the graduating class who displays, addition to scholastic and artistic excellence, stability and strength of character together with willingness to serve.

WINNER: Geoff MULLINS
Runner-Up: Margot Elwick

Inform, involve, inspire : 1997 Speakers' Series

Borrowing Public Television's mission to "inform, involve and inspire" both our students and faculty this winter, I had the great pleasure of arranging "live" visits of inspiring men and women of ideas to our school.

In November, **Richard Osler**, film producer and Brentwood parent (of Alex and Reed), presented and discussed his inspiring movie, *Hasten Slowly: The Journey of Sir Laurens van der Post*. Through his own intimate stories, Sir Laurens van der Post spoke on film of the key moments in his extraordinary life. Through both the film and Richard Osler's enlightening commentary, it became clear why Sir Laurens, writer, filmmaker, cultural anthropologist, and statesman, was sought out by princes and kings, presidents and prime ministers for his insights, his moral courage, and his point of view, right up to his death this winter.

Through Sir Laurens' words, Richard Osler offered an essentially hopeful message: "*There's nothing wrong with searching for happiness, but what gives far greater comfort to the soul is meaning. Once what you are doing has for you meaning, you are content. You're not alone in your spirit. You belong.*" We thank Richard for sharing his friendship with Sir Laurens and his thought provoking life story with us.

In February, writer, broadcaster, ethnobotanist, anthropologist, and photographer, **Dr. Wade E. Davis (1971)** addressed the school on the life experiences which led to the writing of his latest book, *One River*. A graduate of Brentwood, Wade Davis received his Ph.D. in ethnobotany from Harvard University, his research ultimately including an investigation of fifteen tribal groups in eight Latin American nations. After an assignment to Haiti, he wrote *The Serpent and the Rainbow* (1986), an international best seller which appeared in ten languages and was later released by Universal as a motion picture.

Wade Davis's work has taken him to Morocco, Borneo, New Guinea, Venezuela, Bolivia and northern Canada. A native of British Columbia, Wade has worked as a park ranger, forestry engineer, logger, and big game hunting guide. He has published numerous articles in *Newsweek*, *Omni*, and *Harpers* among others on subjects ranging from Haitian voodoo and Amazonian myth and religion to the global biodiversity crisis, the traditional use of psychotropic drugs, and the ethnobotany of South American Indians. He has lectured internationally including appearances at the

Smithsonian Institute, Harvard, Yale, and M.I.T. His photographs have been exhibited at several galleries including the International Center of Photography in New York.

It was truly an exciting event to have Wade Davis, whom *MacLeans* magazine in their review of *One River* likened to Indiana Jones, return to speak again at his alma mater.

In March, Wade's contemporary at Brentwood, **Dr. David Wilkinson (1971)** spoke to our senior scientists about his pioneering research in fuel cell technology. After graduating from Brentwood, David Wilkinson trained and competed as a member of the Canadian National Rowing team and studied Chemical Engineering at the University of British Columbia from which he received his B.Sc. in 1978. He became a professional engineer in 1980. In 1986, as a NSERC scholar, he received his Ph.D. in Physical Chemistry / Electrochemistry from the University of Ottawa where his graduate work was done with Dr. Brin Conway, one of the premier electrochemists in the world.

Dr. Wilkinson then began his investigation of primary and rechargeable advanced battery systems. In 1987 he was the project leader for battery electrochemistry at Moli Energy Ltd., where the first commercial rechargeable lithium battery was produced. Since 1990, Dr. Wilkinson has been the manager of core technology at Ballard Power Systems Inc., B.C., the world leader in the development of solid polymer fuel cell power systems for transportation and utility applications. This new power source promises to change the way we will all live in the 21st century. Dr. Wilkinson is on the leading edge in this research technology.

Last on the podium, we welcomed award winning Canadian journalist **Gwynne Dyer**. Originally trained as an historian, Gwynne Dyer is a renowned freelance journalist, columnist, broadcaster and lecturer on international affairs. Since 1972, his major activity has been his twice-weekly column on international affairs, which is published by 150 papers in some thirty countries from Brazil to Bangladesh.

Gwynne Dyer's television documentaries include the seven-part NFB documentary *War*, one episode of which, *The Profession of Arms*, was nominated for an Academy Award. The accompanying book, also titled *War*, won the Columbia University School of Journalism award in 1986. His three-part NFB-CBC series *The Defence of Canada* won a Gemini in 1987, as did his 1994 CBC series, *The Human Race*, exploring the roots, nature and future of hu-

man politics. *Protection Force*, a 1995 three-part NFB series on Canadian peacekeepers in Bosnia, was also nominated for a Gemini.

Gwynne Dyer has been making radio documentaries for the CBC since the late 1970s. Notable recent ones include *The Gorbachev Revolution*, based on his experiences in Eastern Europe and the former Soviet Union in 1987-90, and *Millennium*, on the emerging global culture. Gwynne Dyer spoke on the opportunities for Canadians, provided the problem of Quebec separatism is resolved, in this new global culture and economy. His provocative and perceptive address stimulated numerous questions and healthy debate.

On a different note, we were fortunate to welcome back leading Canadian tenor and Old Brentonian, **Ben Butterfield (1981)**, for a delightful afternoon concert, laced with Ben's inimitable humour and refreshing insight into the professional world of the performing arts.

Ben's guest appearance happily coincided with our **Careers Week** during which Grades 10, 11, and 12 had the opportunity to attend three presentations of their choice of career areas. Included in the career presenters were the following parents and Old Brentonians: **Craig Murray** (father of Clifton who joined his father in co-presenting): adventure tourism and family entrepreneurship; **Brian Norris** (father of Jodie) and **Damien Norris (1991)**: computer technology; **Michael Holmes (1978)**: law; **Andrew Duffy (1987)**: journalism; **Dr. Bill Code** (father of Brian and Laura): medicine; **John Krysa (1976)**: finance, investment and entrepreneurship; **Danny Powell (1970)**: forestry; **Kevin Smith (1979)**: parks management; **Bruce Halliday (1973)**: dramatic arts; **Dr. Patrick Gregory** (father of Jacque): biology; **Tom Murphy** (father of Niamh): engineering; **Dr. Jim Decker** (father of Brian): veterinary medicine.

We were also grateful to staff presenters **Simon Vermege** (executive catering) and **Liz Gehl** (nursing), and to guest speakers **Dr. Brian Bornhold** (geology), **Brian Cameron** (film production), **John Hanic** (aviation), and **Sgt. Heather Hryhoryshen** (Canadian Armed Forces) for their valued contributions to our Careers Week.

We are grateful to all the speakers who have shared their life experiences and their stimulating ideas. They have informed, involved, and inspired us.

(left) **Wade Davis** extolls the virtues of psychedelic plants

Be it resolved that Brentwood had a successful year in debating! We began our year with weekly meetings and practice debates to prepare us for our tournaments. Our first tournament took us to Victoria where we competed in the Newman F.I.S.A. at Glenlyon Norfolk School, where we learned the skills to advance us to higher levels. Shortly after we attended the infamous Ravenhurst Debating

tournament in Nanaimo, where we had prepared speeches with a set resolution. We came out with many stars. In the Seniors, Liz Conway achieved a fourth place finish; in the Juniors, Luwam Sebhatu won silver and Tom Aylward Nally placed eighth. In the Grade Eight category, James Deck placed third and Matt Foulger, sixth. With our confidence high, we returned in

the second term to compete in the Vancouver Island Debate Tournament where William Duguid placed eleventh in the Senior category and Matt Foulger placed second and went on to the Provincial tournament in Prince George. We enjoyed our fun practice debates with both Shawnigan Lake and GNS, where we afterwards splurged on pizza and gabbed with our rivals.

Writing Prompts

Poetry: **October**
Overtures

Prose: **My Generation**

From thousands of entries in their age group, the poems published on this page were selected by the Poetry Institute of Canada to go forward to the final stage of a national competition. Mark's poem then went on to win an award of excellence. Congratulations to these talented poets.

"Ehemeral" puts poetry to music at the Fabrications Assembly

October Overtures

Mark Walker (Canmore, AB)
Grade 10

The intro begins
With a whirl of the wind
Stimulating
The willows
To whistle their hymn.
Frosty air strikes
Coming silently
In the night
Carpeting the ground
Its victims golden brown.

October Overtures

Niamh Murphy (Duncan, BC)
Grade 10

Cheeky little bugger,
October she is,
Sneaks upon you like a mugger
That wretched little miss.

October is a criminal;
Death to summer is the charge.
Blood seeping like some red mineral
Signs posted: "Dead Leaves at Large".

The smoky smell of guilt
Hangs heavy in the air.
Leaves and flowers wilt;
A bed for some fat bear.

October is a witch,
With a criminal itch.

Nature's Invitation

Katie Mills (Kitimat, BC)
Grade 11

Flaxen, saffron and amber hues
melt together under morning
dews.

The lurid bark of aged trees
hidden beneath kaleidoscope
leaves.

Swollen to a red-brown run,
the river, licked by a platinum sun

Flows along a crimson path
and with it flows the summer.

Out to the sea and far away
driven by a whispering winter.

The crickets compose a melody
Soft and
Sweet
That puts the forest into a
Hypnotic sleep.
A crash from a cloud
Sends a
Shower of
Slushy rain
Signaling that October has come
again.

Howl from a coyote,
A cry from the maimed
Sends a field mouse
Across the leafy terrain.
The moon light
Shines
As the orchestra plays.
October has officially
Started its days.

SECOND TERM WINNERS

Writing Prompts

Poetry: Out of Rhyme

Grade 8

Poetry: **Jamie Allard**
 Runner-up: **Matthew Baker**

Grade 9

No Entries

Grade 10

Poetry: **Hannah McDonald**
 Runner-up: **Niam Murphy**

Grade 11

Prose: **Alana Silverman**
 Poetry: **Kevin Cathers**
 Runners-up: **Kevin Fuller**
Sarah Turyk
Jonathan Yang

Fly Fishing

Kevin Cathers (Whistler B.C.)
Grade 11

Trying to cast but unsuccessful
 The rhythm was not there
 Practicing for the remaining hours of the day
 I've tried to understand
 The concepts flew right through my head
 I'm alone, just me and my rod
 I'm clawing away at the doldrums
 The rhythm is almost there
 I can feel it
 I'm just one step away
 Somehow I've come this far
 I'm dreaming or it's getting easier.

The line soared through the air like waves
 I knew the day would come
 I understand now
 I'm flying high above the gray
 The rhythm pumps steadily
 I'm going to catch the fish of the day
 My rhythm echoes on
 I have learnt the hard way.

Out of Rhyme

Jamie Allard (Edmonton, AB)
Grade 8

The only thing
 that I
 can think of
 that's never out of rhyme
 is the always going,
 never stopping
 constant beat of time.

It never had a
 beginning
 and will not ever bend
 and though you may think
 that you've out run it
 it will catch you in
 the end.

Out of Rhyme

Hannah McDonald (West Vancouver)
Grade 10

I stepped in a puddle and felt my foot become a wet, sodden mess.
 My shoelaces were untied and caked with mud and they followed behind me like two impatient children
 being dragged to school.

A raindrop splashed onto my eyelid and I felt my mascara roll down the side of my cheek seconds later.

I guess you could say I was feeling a little out of rhyme today.

There was a band-aid on my palm where I had reached down to stroke a playful kitten earlier that
 morning. The impudent little cat had thrashed at me, bearing a mouthful of needle point teeth.

I guess you could say I was feeling a little out of rhyme today.

The clouds over-head were ferocious black beasts; their downpour intended only for me.
 The impish mud puddles were scurrying around, trying their hardest to place themselves right under my
 feet.

I guess you could say I was feeling a little out of rhyme today.

But tomorrow is another day and the sun is pledged to shine.
 I'll explode from bed and smile and say, "I think I'm back in rhyme."

THIRD TERM WINNERS

Writing Prompts

Poetry: **Hats Off**

Prose, Junior: **Passages**

Prose, Senior: **On The
Threshold**

Grade 8

Poetry: Sara Skoretz
Runner-up: Andrew Pennells

Prose: Matt Foulger
Runners-up: Damian Kayra
 Matt Baker

Grade 9

Poetry: Jonathan McClean

Prose: Grant Taylor
Runner-up: Alice Fletcher

Grade 10

Poetry: Derek Keeper
Runner-up: Megan Plunkett

Prose: Michael Robson
Runners-up: Lucy Brown
 Morgan Benson

Grade 11

Poetry: Jonathan Yang
Runner-up: Tyler Bryant
 Tyler Wish

Prose: Liam Cooper
Runner-up: Liz Conway

HATS OFF

Sara Skoretz (Genoa Bay, BC)
Grade 8

Purple and blue.
Warm and soft.
Pulled down over velvet ears.
The cozy toque, keeps out the blast
Of the winter air.

Cotton light.
Snug and bright.
Matching:
Golden brown, red and mild green.
Just right for fall.

Bright yellow and shiny
Like mid season tulips.
The rain hat that introduces spring.
Spirit-lifting yellow lightens the
winter's dark.

Sun beating down.
The hot rays are
filtered out by the straw covered
head
All the light flickering through
The straw hats cracks, seems like
magic.

HATS OFF

Jonathan Yang (Coquitlam, BC)
Grade 11

Sharper than a butcherknife
is the crease of my khakis.
My shirt with slight shadow of
Saphire is slipped below my shorts.
My boots blind the fools
Who look upon their reflection.
Dark dress socks wrap my ankles
And black leather belt hangs around my
waist.

And I stroll
Into the crowded hall.
Back straight and sparkling eyes.
My hands glide upon the shaven chin.
And I flick a fleck off my shirt
I did the catwalk down the hardwood
floor.
I was the perfect model . . .

Until - - - a thundering enlightening!
"HATS OFF IN THE CAFETERIA!"

A WRITER'S WISH

Jonathan McClean (Vernon, BC)
Grade 9

I wish I could write poems of passion and desire
Like those of William Shakespeare.
With his poems he could erupt a tear from the
Most feeble of men to those with not a bit of fear.
I wish I could make my words explode with feelings
of the taste, touch, and smell of love's true meaning.
I wish I could explain to you the feelings deep inside
which make me glide
With delight and have no fright.
I wish I could write with the wings of night
Or the sunray of day.
I wish I could explain how flowers bloom or about the
Horriying creatures of doom.
Oh! You don't know how much
I wish I could write poems of desire
Like those of William Shakespeare.

Houses

A Room with a 'vu'

Passing the Torch in Alex House

This year, one of our old, long-established notions went right out the window - that grade eight girls are shy, quiet, obedient, hard-done-by grommets. On the contrary, this year everyone in Alex House discovered that our grade eight girls were in fact quite a force with which to reckon. If you have any doubt about the validity of this assertion, perhaps you should read what follows by one of their own:

No one has ever looked behind that bedroom door. The tales that have been told make people shiver whenever they go by it. There are three monsters...big monsters. I would say, they are as big as cars! They have growls as loud as jackhammers. I hear it at night, all the way from the top floor of our house. They have big, sharp, sparkling white fangs that you can hear crunching away at their dinner - Mrs. Mais's poor, innocent, little dog Tarka. Their thick, dark brown fur is like a jungle of fleas, beetles and ants. Their huge, black, beady eyes make you want to hide your face away in fear forever.

These beasts - or Chengle, Tiber and Aquaba, as I have named them - often get visits from their pals. It sounds like ten generators all going at once. When these monsters have parties, no one comes to our common room because of the tremendously loud and scary sounds from within. All the girls in the house are kept awake until at least eleven o'clock at night, when at last the three terrible, horrendous monsters settle down to have a bit of rest.

[Chantal Plomb].

They broke beds, put holes in walls, forgot sign-ins, and played music at maximum volume. We held conferences, planning sessions, and debates. We sent duty staff, grade twelves, grade nines, anyone who was willing, into their midst. We tried gating, scolding, imploring, bribing and cajoling. We tore our hair, gnashed our teeth, wept and threw up our hands in despair! What **were** we going to do?

Then a marvellous phenomenon occurred...slowly, surely, and unbelievably they became transformed. Just when we thought we'd lost, just like caterpillars become beautiful butterflies, these grade eight girls revealed their lovely, lovable, charming and endearing personalities - at long last, and not a moment too soon!

It's been a hard road for them too - the many adjustments, routines, rules to remember - all the trappings of a residential school that were completely new to them. But the true spirit and generosity of Alex House girls triumphed in the end. The grade eights were nurtured by loving, caring older girls, who in turn benefited by reaching out to guide and embrace our younger ones. Was it worth it? Most assuredly! That's what living in a residence is about - being there for each other, passing on the lessons learned. As we bid farewell to our grade twelve girls who pass their torch to the new grad class, we applaud the girls in all the other grades for successfully reaching their finish lines also...before passing the torch to next year's Alex House girls.

Ellis House

The Ellis troops are on sojourn,
The hallways are all silent.
Summertime is here at last
The house for once compliant.

September's now a memory,
Too distant to recall.
A blur of many faces,
Arriving in the fall.

The term was quite eventful
for reasons that are plain.
Sean Pan says "Sir do I really
have to make a sign-in sheet again?"

We all enjoyed house meetings,
For they were never dull.
Luwam sold his cheesecake,
In any kind of lull.

Patiently they listened
And nodded sometimes too.
Now I stop to wonder,
Did anything get through?

Our boys excelled in swimming
And came in first all round.
I was just relieved to find,
Ramon had not been drowned.

By November we were ready
for a change of pace.
Laser tag and go-karts,
Took us out to Cyber Space.

Sliding on an icy Frach,
At 2 am I found,
(for once) I quite enjoyed,
To spin my wheels around.

Winter came and went at last,
With snow in great profusion.
Our second term was peaceful,
With an end to all confusion.

Finally our ship was on
Her true and steady course,
Cruising through to Summer Term,
With quiet determined force.

Track and Field we ruled in sprints,
Our relay was the best.
Only Donovan Bailey,
Could put Bryn to the test.

With leadership from captain Bish,
Rusconi, Pan and Crew,
The year was finished off in style,
And all the grads came through.

My thanks to Beth and Steve and Steve,
To Paul and Cam and Ian,
(I can't believe) in two short months,
We'll do it all agian.

-D. McCarthy

Ellis Boys...

1 Start Here	2 Take up rugby Go forward to 46	3	4 Join rowing club Miss 4 turns	5	6 Tell Adele to be quiet Return to start	7	8 You give up smoking again Go to 12	9	10 Offer to room with Crystal next year Go to 92

Mackenzie House

Vell, who won the game? Was it you?

How do you really “get ahead” in Mackenzie House? My own personal view is that there are some qualities that will help you to “get ahead” here in the world beyond these walls.

GOVERNMENT HEALTH WARNING: SERIOUS PONTIFICATION FOLLOWS

1. An understanding that, we need to take responsibility for our own welfare. Don't whine to others, do something about it!
2. The value of honesty and integrity. All friendships and relationships rely on this quality.
3. A genuine concern for the welfare of others. Even, sometimes, put others' interests before your own. (Now there's a novel idea in today's world.)
4. The quality of perseverance. A willingness to accept that things may, on occasions, become tough. Life can't always be easy and pleasurable. Great happiness and satisfaction can come from the struggle to succeed.
5. An ability to laugh with others, not at others, and a willingness to laugh at our own shortcomings.

Many of the Mackenzie girls have exhibited these special qualities this year. Our grade 12 students, especially this year, have been excellent role models. Others are developing and realising that these traits really do matter. It is the realization that personal growth does occur in this environment that keeps us involved year after year in the lives of the young people that make up Mackenzie House.

Well, enough preaching for one year. Plenty of time for much more in September. Have a beautiful summer vacation.

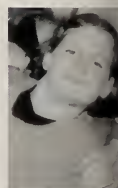

More Mackenzie Moments...

Above: Some Grade 9's Below: Some grade 8's

Privett House

Dear Mommy,

Just thought I would write and tell you how things are going out here on the Island. It is the last night and the Grade 12's are all busily studying for the Biology 12 Exam tomorrow morning. It is hard to believe that the year has passed so quickly ... sorry mom, had to pause for a second, Tyler West was here to ask me a question. Now where was I - another great year. The boys worked hard under the direction of our able Sports Captain ... sorry I had to pause to answer a question from Tyler West - Ted Mason and recaptured the Interhouse Trophy for the third year in a row. I smell the makings of a dynasty! Kinda like those Oilers you used to have back there in Edmonton.

The prefects this year have been great! Friendly and brotherly to all the Juniors and so efficient. Remember that Hawaiian guy Geoff Mullins? Probably not, but I made him the House Captain ... wow! He was a real hit in the house. Great relationship with everyone, terrific academic average. He pretty much ran the place ... sorry, just Jorde getting a money chit for more Star Wars cards.... Leigh Aris and Chris Storey have been a great help for Geoff as his assistants. Both have done things in their individual ways, yet effectively.

You should have seen the t-shirt that Henry Fletcher and Geoff designed for the Privett open House. There I was looking like John Travolta on the front. Now stop laughing Mom! And what's wrong with platform shoes? Speaking of the Open House, the Grade 11's did a great job with the annual Privett DISCO - best one yet. And Paul Kenway and Rob Nugent - the "Snapple Guys" even turned a profit!

You know Natsuki Kurosu and Chris Storey were our only two lifers this year. That is when you manage to stay at Brentwood for all five years or in some cases six! We have so many brothers and relatives in the House this year - it is really quite amazing ... no Tyler, you cannot watch the Senior Movie tonight ... sorry Mom! Clayton Johnston is still my assistant and boy is he great or what! So is his wife Kate and for that matter my darling, Tammy! The kids are all growing so fast, too. Jyotish, Sam and Emily love playing together.

Well another marvelous year. I'd better go. I think I hear Tyler coming again. Or maybe it is the Postrehovskys fooling me with their computer. Anyway - it has been a great year. I wish all of them could be like this one! Boy will we miss the Grade 12's. What a great bunch. Ah they always remember - Membership has its Privileges!

Take Care Mommy and eat lots of pizza - Leo tells me a pizza a day keeps the doctor away!

Your Loving son,

Shrawan Khanna

Below: **Ben Connor** and **Pete Sloan**: Two wild and crazy guys!!

Below: Future NBA Champions - **Robin**, **Louis**, and **Stanley**.

Rogers House

It was Friday June 20th when we gathered in the Lecture Theatre for our end of year service. I looked at the group of grade twelves sitting before me in the front row and saw how much they had all changed and then again, how little. Chad, Josef and E.G., tall strapping young men are still the same busy grade eights playing in dorm 1. I wonder how they would have gotten along with Diego, Morgan, Drayton, Nick, Gabriel and Jack? Every year our student presenters say something truly moving and this year it was Andy Cheng. This is what he had to say.

-Frank Purdon

Well, believe it or not, when I first came here, I really, really hated this house, old, small, far away from the gym, especially the shower, I mean, come on! Showering with other guys??? Oh, God! I hated it so much, but I had no choice; it was a big challenge for me showering with other people. Finally I got used to this place.

Last year, I remember that Rogers lost every single competition except the Interhouse Chess!!! I thought this house was completely hopeless with all the lazy people, except Myrf of course! Slowly but surely I got to know everyone!

This year was much better. We won our first competition - Interhouse Fun and Games. Then we came second for the Interhouse Swimming. And of course we came last for the Interhouse Rugby because of some of the accidents.

During the second term, Rogers was going well and safely. We tried so hard in the Interhouse Cross Country; Garrett came first in the senior level and our Rogers girls did a good job as well. We came second in this competition.

The last term was very very busy with tests, essays and of course girls and many Interhouse competitions. Our senior boys came second in the basketball game by losing one point to Privett because of the referee. And our juniors came third in the basketball game. All of this just proved that our house is getting better and better. And very surprisingly, Rogers house came first in the Interhouse Track and Field meet. We tried our best for our house and people supported with all their hearts, which just shows that no one is better than Rogers. By the way, Clifton got the Track and Field award at the senior level. And also thanks Christian who did a very good job organizing the track and field.

It is time to say good-bye to our grade 12's. They have done a good job for our house. We will never forget their achievements and hope they have a great future.

Finally, thanks to our duty masters Mr. O, Mr. Tate and Mr. Martin. Also thanks to our house master and house assistant Mr. Purdon and Mr. Keaney; without their support and care our house wouldn't be so successful. Oh and thanks to Myrf for helping me edit this essay and thanks to Rich for correcting all of Myrf's errors.

Hope everyone has a great summer. See u later!!!!

The House demonstrates modern evolutionary theory.

Whittall House

Perhaps this year might be described as one of re-grouping after two years in something of a wilderness. This year, the good guys won instead of being outnumbered. A public statement from the House Captains and prefects at the start, set the stage for a tone within the House that was not going to tolerate activity that put us all into disrepute, a statement which expressed outrage at those who had done so and a statement which, above all things, expressed leadership.

The tone in the House has been good. Those who sought to challenge the goals set, soon found themselves out of favour with the majority and changed. Again, good leadership came to the fore. This year has been an exercise in what proper, moral leadership from the prefects can achieve.

None of this is to say that we have not had our fun times, our inevitable "characters" and our successes and failures. The new Gr. 8's arrived in September suitably polished, shining and on their best behaviour. None of that lasted long. They soon established themselves as being every bit as noisy, untidy and disorganised as every Gr. 8 class has always been. They lost things (many things), had to learn how to use a vacuum, put clothes away, be on time, shower, be quiet during prep, in fact almost all the things which Gr. 8's find wholly unpalatable. But learn they did and, by the end of the year, became an integral and important part of the House whose contributions were starting to emerge in a very real sense. Yes, Elliot still loses things, David and Justin can still be untidy, Bohan still needs to be more vocal (did I really say that?) but Matt comes out with some evident leadership and they have all got better - I think.

The Gr. 9's, again in line with tradition, have tested the elasticity of the walls very dangerously. It is the way of things that Gr. 9's seem to feel the need, at some point in their year, to be as tastelessly obnoxious as they can. This class was no exception but, in going through this regrettable phase, most have come out the other side as more thoughtful and thinking people, have substituted water pistols for verbal bullets and have, in short, become decent human beings again. If Cailen is still late for almost everything, Scott and Mike are still masters at finding a "legitimate" reason why their lights are still on half an hour after lights out, Graeme and Jonathan still attempt to "charm" their way out of every potential fine and Luke and Hugh still think that "tidying their room" means to stuff everything under their feet and desks (including leftovers from last week's pizza), then we can live with this because it can be dealt with quickly and effectively. None of it is hurtful to others. Leaders? Yes, I see leaders in this group, too. More will emerge; Hugh and Luke, each charismatic in his own way, Scott and Mike actually overheard defending the "system" on occasion, Taichi and Edwin setting unashamed standards in every way. All this bodes well for the year 1999 when this group will be in charge.

Our Gr. 10's have been remarkably low-key (or am I deluding myself?). Of course they have discovered girls and therefore have to watch their "image". At the Gr. 10 level, the need to test the system has not altogether disappeared but now a rather more sophisticated approach must prevail - the new girlfriend must be impressed. So we see every attempt to "muscle in" on senior privileges. A round of Musical Dorms downstairs, eventually produced some semblance of compatibility and a better atmosphere. Generally, though, this group has been supportive and helpful in the House. Strong leadership has not emerged from any individual yet, but it will, I suspect.

The Gr. 11 class has been very strong this year in every way. Leaders here abound. The group contains good athletes, good academicians, and some very strong characters. They have ably stepped in to help run the House in a year when the prefect body was unusually small and overworked. They have formed the meat of our teams in Inter-House competition, have taken a commendably conservative line in running their personal and collective lives and have put their priorities in proper order of importance. We shall not be short of good prefect material next year and we can look forward to powerful and effective leadership in 1997/98, so watch out Privett/Rogers/Ellis!

The Gr. 12 class has been small only in numbers. In terms of their influence and effect on the House, they have been very large indeed. As "Big Brothers" they have, most effectively, established good relationships, good ethics and good spirit. As prefects, they have supported each other, the House Captains and the Staff, to produce a pleasant atmosphere in the House and one in which everyone has felt secure. They can be justly proud of what they have done and of what they have produced. The leadership from all of them has been of a high order but, particularly from Byran and Scott who, as co-House Captains have worked together magnificently and selflessly. We all wish every one of them the very best for the future and hope that they will keep in touch with us and visit whenever they can.

Sincere thanks from me and from the entire House, to Mr. Wright, who has tirelessly assisted me in running the ship, to Mr. Burrows, Mr. MacLean and Mr. Digby who have brightened our evenings in so many ways and to Mrs. Kelly who, in joining us this year, has brought a touch of sanity, humanity and the charm of the fairer sex to the Whittall zoo.

Burkmar House

Postcards of Reminiscence

I remember Kim, Katarina, Kate, Jasmine, Dave and Jane.
I remember pasta, leftovers, cranberry juice, and 1% milk.

I remember brisk walks and deep meaningful talks.

I remember homework, essays, pencils, books,
and teachers' dirty looks.

I remember smiles, hugs, tears and fears; rowing, dancing,
eating and sleeping. I remember Toby, TV, triathlon and

rugby; the Bayshore, barbeques, St. Catharines
and late night hot tubs.

I remember fun, happiness, blue cars, the Burkmars.

- Mark

I remember Pavlova night with Kim,
Katarina, Mark and Jasmine, early morning
rowing with Mark, cantalope with Jasmine,
racing for the shower with Kim and Katarina,
clothes borrowing sessions with Kim,
Katarina and Jasmine, hot tubs with
everyone, and the wonderful baking by Kim
and Jasmine. I had a great year with
everyone.

- Kate

The Burkmar Bunch:

Mark Nitychoruk, Jasmine Sopru, Kate Burkmar, Kimberley Bernard, and Katharina Klaus.

I remember our daily shower competitions. Every morning, Kate, Kim and I each tried to be the first one to take a shower. Since I was usually the last person to get up, I sometimes didn't have a shower until 7:40. That's why I ended up running late for class, and you could see me sprinting up the hill to school.

We sometimes had baking sessions. Kim used to bake the best chocolate chip cookies. I didn't really help here with the baking, but I helped her with the eating. So did Mark and Mr. Burkmar. Jasmine liked to cook and bake for us as well. Sometimes I would get home and find about 30 muffins in the kitchen. She also made some delicious Australian food. Everybody loved her pavlova and it never lasted long.

I enjoyed sitting in the kitchen together after prep, talking about how everybody's day was. It felt like a little family. I thought it was amazing how well we all got along.

- Katarina

From Pavlovas, hot tubs, and birthday barbeques, to the friendships, fun and fabulous mix master, they will all be dearly remembered.

- Jasmine

Top Ten Fondest Memories from the Burkmar House '96-'97

10. Prep spent in front of the new TV.
9. Stumbling to school at 5am with "J", "K" and Mark for early morning practices.
8. The mad laundry room dash at 7pm.
7. The mad shower dash at 7am.
6. Unexpectedly finding a strange Australian girl in the kitchen after Christmas.
5. Those stressful exam weeks spent in the hot tub.
4. Having 10 people plus 1 dog, 1 cat, and 3 lizards in the house.
3. Having such a wide variety of clothes to choose from- both male and female.
2. Toby
1. Freshly baked Extra Chip Chocolate Chip Cookies that lasted a few hours.

Legends In Their Own Time

Ivor and Nick's Celebration Dinner

In March 1997 we held a dinner to pay tribute to two coaches who laid the foundation of Brentwood rugby. Speakers from rugby past came to honour Nick Prowse and Ivor Ford. Two previous coaches, Alan Rees and David Robertson and two former students Mike Hicks (1st XV 1969-70) and Brian Carr (1st XV 1979-80) spoke of both men's commitment and dedication to the sport and the school. The pictures Nick and Ivor unveiled that night will be hung with pride in the Sports Complex.

London Calling!

Production team: Widenmaier and Digby

Cast: Twenty-two theatre enthusiasts

Location: The West End theatre district of London, Leeds Castle and Brighton

Setting: Spring weather. No rain. Crocuses and daffodils. A hotel overlooking Hyde Park.

Scenario: This year's pilgrimage to London's Theatreland was tremendously successful. Many performances were attended. Many sights seen and too many shoes bought at Doc Marten's. The sunny weather created sunny dispositions and lots of photo opps. Rolls of film recorded the reconstructed Globe Theatre, the mummy rooms at the British Museum, the moat and gardens at Leeds Castle and the miles of stalls and street theatre events along Portobello Road Market. The final snap - we're all dressed up for the big Saturday show. Will it be Ms. Saigon? Jesus Christ Superstar? Les Miserables? The ballet? Whatever the destination, the high expectations are realized. After all the chat, the excitement, the thank yous, it's time to stuff the suitcases and wing our way home. The director's thanks to a wonderful cast.

Director's Diary

Read Through:

The idea: Persuade twenty students that they are very able to recreate the personalities, style and sensibilities of eighteenth century England.

The reality: Horrific looks from the boys as they stutter, "we have to wear tights?" "Wigs?"

The compromise: Reinforce the posture. "Uncross the legs". Teach the "language of the fans." "It is not a baseball bat. Flick the wrist gently." Get the mumbling mouths around the polysyllabic words.

Through Rehearsals:

The idea: Integrate music, movement, the quick pace of the dialogue.

The reality: "You haven't learned your lines, yet?"

The compromise: Only, I will panic.

Rehearsal:

The idea: No time to even consider one -

The reality: "Where's the back of these trousers?" "Where does this flap go?" "They're called what?" "What do I do with this lace?" "I can't move in this?" "Where's the front of this wig?"

Curtain Time:

The makeup is on. The wigs "stapled" on. The bodices pinned together. God! They look wonderful! We're ready! Lights up!

Five Year Graduates Celebrate

On the evening of Friday June 6th 1997, members of staff and thirteen of the sixteen "lifers" gathered at the Quamichan Inn to celebrate their five years of education at Brentwood College. The toast to "The Lifers" was given by Mr. Robert MacLean who mentioned the three members

of the present class, Sarah Turner, Natsuki Kurosu, and Jonathan Wray who were unable to attend. Mr. MacLean also asked for a few moments of reflection to remember Paul Love, who would have graduated with this group. Mr. Christopher Storey responded on behalf of the graduates. Mr. Ross concluded the evening with the traditional presentations.

I have been doing pottery for four years. Ever since I started I have always loved throwing the wheel. At first, it was very frustrating as I couldn't centre the clay or when I did the pot would eventually flub. My ultimate goal was to make it to the "pretty cupboard." I didn't make it that first year. I took home a wheel for the summer and practised every day. On my return in September, everything fell into place. I started experimenting with different clays and discovered how wonderful porcelain was to work with. I learned how to recycle it and what the best techniques of glazing were. I loved how I was in charge of how the glaze would turn out; it was up to me to reduce or to oxidize it. Had I not come to Brentwood, I probably would not have tried pottery. I am so glad I did. I recommend this course to anyone, even those who may not think themselves the artistic type - I didn't think that I was, either.

Rugby

1st Term First XV

NEED A BOOST? Rob Moller gets air time to win lineout ball with a little help from his friends.

BORN LEADERS Natsuki Kurosui in action (above) and Byran Meier (below) taking the field provide inspiration to teammates.

The 1st XV started the season off well with a comfortable win over the Cowichan Rugby Club Juniors. Fitness, mental errors and turnovers, however, cost them dearly in their first I.S.A. outing against perennial arch rivals, Shawnigan. A "back to the basics" approach at training soon had the lads back on track and was rewarded with two run-away wins against St. George's.

Brentwood hosted Ipswich Grammar School from Brisbane, Australia, in October. A tough forward battle with tenacious attack and defence in the backs saw the game tied five-all at the final whistle. A fitting result for the efforts of both teams.

The stage was set for the final game of the term. The team had prepared well and travelled the short distance to Shawnigan

with an air of quiet confidence. The game started well as Brentwood took the early lead and played well to go to the half maintaining it. We were caught napping at the re-start with an unconventional kick and paid dearly for it. Shawnigan, with the benefit of the odd, advantageous "bounce and whistle", clawed their way back into the game to take the lead with only two minutes to spare. Brentwood surged back to press the Shawnigan line only to have the game blown up by the referee as the winning try appeared inevitable. It was a deserved win for Shawnigan, a crushing blow to Brentwood. It was noted by Messrs. Ford, Prowse and other rugby illuminati that such a calibre of rugby had not been witnessed in years. *Mr. Medina*

CHARGE! Jon Ouellet takes a penalty play with Dembicki, Lewis, Dixon and Moller in support.

3rd Term 1st XV Rugby

THIRD TERM FIRST XV: Back: J. Amiel, A. Ross, A. Beruschi, N. Kurosu, C. Storey, R. Nugent, R. Moller, C. Murray, P. Dembicki, Mr. Linn (coach) Middle: Mr. Medina (coach), M. Lewis, P. Stroble, S. McCauley, K. Fuller, H. Cupples, C. Chung, J. Wray Front: J. Yang, A. Wray, J. Ouellet, B. Meier, S. Dixon, T. Wish, K. Tmana.

This year saw the return of Brentwood to the B.C. High Schools "AAA" Provincial Championship. Hot off the highly successful tour "Down under" the team was to face Shawnigan the first week back at school. As Shawnigan was playing in the newly formed Super League, they chose to play mainly their 2nd XV. This proved to be an unwise choice as Brentwood ran out winners by some 90 points. It was in this game that Sean Dixon sustained a hand injury that sidelined him for the remainder of the season. This was a great loss to a pack that was working like a well-oiled machine. Similar high scoring wins were achieved against Vanier and Port Alberni, leading up to what was expected to be the toughest match of the year - St. Kentigerns. This Colts team from Auckland, N.Z., was undefeated on tour when it ran onto the pitch at Brentwood and, as anticipated, were a formidable foe. The boys in the red and black, however, were up to the task and with some solid rucking and tireless defence emerged victorious, 26-15.

An easy win over Cowichan two days after the Kiwi victory and forfeits from Dover Bay and Carihi ensured both our place in the North Island final and a berth in the B.C.S.S. "AAA" Championships. The team, ranked ninth, got off to a great start with a win against the eighth ranked Abbotsford team: 29-13. Due to an "unfortunate" ranking system, we met the first ranked team the following day. The team came out strongly and scored three marvellous team effort tries all touched down by Clifton Murray, to lead a shell-shocked Shawnigan 17-0 at the half. The lessons were yet to be learned, however, that

rugby consists of two halves and one cannot score without the ball. While Brentwood lost control of the ball, and the game, Shawnigan capitalised on the errors and fought back to level the score 17-17 with a controversial try in the dying minutes of the game. Sudden death overtime put the team under pressure they had not experienced. It was too much and, again, Shawnigan came away the victors. Those people who witnessed that game stated unequivocally that it was "the game" of the tournament. A spirited team took to the field the following day and suffered a narrow defeat to a much bigger Semiahmoo team. It looked as if this was going to be repeated the following day when the team was down 7-0 at the half against Oak Bay. A rallying of the troops produced a meta-morphosis unparalleled to date. They came back with a vengeance and played possibly the best team support rugby of the entire season, to round off the tournament with a 29-7 win. Two of the best halves of rugby that I have had the pleasure to witness at the schoolboy level were played by Brentwood at that tournament - unfortunately they were not both played in the same game!

Congratulations must go to Byran Meier and Jon Wray, both selected for Canada U-17 to tour the U.K.; Natsuki Kurosu, selected for the B.C. U-19, and Tyler Wish and Jamie Amiel selected for the Vancouver Island rep team.

Mr. Medina.

Nothing sheepish about Byran! Clifton and Marcel find tribal dances come naturally

Rob Moller seizes the lineout ball against St. Kentigerns

Tour 1997

As tours go, this one was a "cracker". We had been warned that attire would be shorts and golf shirts but all of us overpacked.

We acclimatised in Sydney and after an afternoon training session at a local club I remember following Rob Moller and others on a jog from the turf to the surf. In 28 degree temperatures we ran, over the sea wall and onto Bondi Beach. That night Clifton, Peter and Kevin were highly acclaimed for their attempts at being "The Invisible Men". However, they were no contest for "Kiwi magic". After a day touring Sydney Harbour and the highlights of this marvelous city we flew to Brisbane.

After a quick visit to a wildlife park, to acquaint ourselves with the kangaroos, wallabies and koalas we headed south to be hosted by Jean Paul College. While we have a long association with JPC, in terms of student exchanges this was the first interaction between our schools in a competitive sense. Brentwood won the match 27-3. After a day on the gold coast at Surfers Paradise, we flew to Cairns. A day in a tropical rainforest featured a visit to an aboriginal cultural centre. After our second win, we were chased south staying just ahead of tropical cyclone Justin. We were literally the last vehicle through before the roads closed. We won both games in Townsville and spent a spectacular day on the Great Barrier Reef on the rest day. Despite being buffeted by the cyclone, the diving was spectacular and the colourful marine life magnificent.

As a buildup to the third term the tour fixtures could not have been more successful. For 1st XV captain, Byran Meier and his fellow veterans Sean Dixon, Jon Wray, Rob Moller, Jamie Amiel, Kalveen Tmana and Chris Storey, it was a touring experience they richly deserved and I salute them all for their outstanding contribution to the rugby club over the years. For younger players it was an opportunity for development and to experience the wonderful fellowship this sport offers, both on and off the field.

To my co-coach and tour coordinator, Tony Medina, go thanks for providing us with an outstanding and memorable tour experience.

John Allpress, 1st XV Coach

FIRST TERM SECOND XV RUGBY: Back: Mr. Medina (coach), K. Tarling, L. Widjaja, E. Scott, S. Frandsen, R. Hobson, R. Nugent, R. Wood, A. Ross, D. Black, S. Blackmore, W. Duguid, Mr. Allpress (coach). Front: J. Park, P. Dacyk, A. Vallejo, S. Jien, C. Chung, A. Hoshi, J. Hsu, J. Hennessy, R. Brandt.

Second XV Rugby

The 2nd XV was coached this year by two first grade players from Cowichan Rugby Club, Brent Keddell and Ian Dunn. Once the language barrier was overcome, (they are both Kiwis), the squad was able to settle down and work on the finer points of their game. A mix of experienced and novice players, the group worked hard dur-

ing the term improving skills. The season commenced with losses to both Shawnigan and St. George's, but with grit and determination the second XV fought back and defeated St. George's in the return match on home turf. It ended the season a much improved team, all around. Special mention should be given to those members of

the 2nd XV who went on to be selected for the 1st XV touring party to Australia. Those selected were Rob Nugent, Rob Brandt, Chris Chung and Tony Ross. All performed admirably on tour and were also asked to accompany the 1st XV to the B.C. High School Provincial Championships in Vancouver.

Mr. Medina

Junior Colts Rugby

Above: Russell Hicks moves the ball away from St. Georges' pressure.

It was Nick Prowse (the doyen of Junior Colts coaching) who said: "And now abideth faith, hope and rugby, these three; but the greatest of these is rugby". I subscribe to the same point of view. There is nothing better than a term of good, hard, aggressive rugby to build character and develop an esprit de corps.

In September 1996, thirty-six young men began to learn the truth of this Brentwood adage. Some were new to the game, others had played last year. I hope that they all consider, with hindsight, that they learned something about the game, perhaps even something about themselves.

Porter Stroble (captain and Math, Set 3 student) said, this was a season of three halves. Livy, (59 BC - AD 17), that well known rugby cognoscentus, got it right when he said: "practice is the best of all instructors". We began the season with a concentrated period of high quality practice. Although it did not make us perfect, we were playing, in both the "A" and "B" XV's, some excellent rugby. We were running and passing with confidence, supporting the ball and trying to ensure some continuity in our play.

Grant Keaney, a rather more up-to-date Livy, got it right when he gave us our second lesson:

"If the attitude isn't right, you may as well not even bother going to the party." In the critical middle stage of the season, we missed practices, we practised casually and we thoroughly deserved the results of these inadequate efforts. We proceeded to suffer our only two losses of the season, games we would surely have won, if we had demonstrated a more positive approach.

Rudyard Kipling gives us our third lesson for the season. "If you can force your heart and nerve and sinew to serve your turn long after they are gone, and so hold on when there is nothing in you except the will which says to them: "Hold On"!"

Yes, that's what it's all about. It's character, it's determination, it's grit that makes the difference between winning and losing. We showed this quality in beating St. Georges in our final game of the season. It's the cover tackle in the corner. It's the aggressive dive to win the ball. It's the extra effort, when you've nothing left, to get in support of the ball carrier.

Both A and B XV's had some outstanding players and fine leadership. The B XV made some good progress and everyone played his part. Coach, Grant Keaney, singled out, in particular, his two captains, Georg Woernle and Jone Chong for their enthusiasm and will to win. The "A" XV has some real potential. Some players are very promising and others are on the verge of developing into good players. Special mention must go to Porter Stroble, for outstanding leadership and tackling, Mike Lewis for his aggressive defense and strength in the tackle and David Lapeyrouse for his all-round commitment and thirst to excel in his first season.

If this group can stay together and increase their playing experience, Brentwood rugby is in safe hands.

Mr. Linn

JR COLTS B: Back: P. Postrehovsky, C. Collinson, M. Mann, E. Li, N. Clement, C. Griffel, C. McKenna, P. Hole, M. Salkeld, S. Wood, C. MacDonald, Mr. Keaney (coach). Front: G. Baker, P. Conway, J. Larsen, D. Tso, G. Taylor, J. Chong, P. Postrehovsky, J. Effa, T. Yoneya.

Colt 'A'

COLT A: Back: C. Jones, R. Whitehead, T. Gatzionis, J. Larsen, O. Madrick, M. Robson, D. Bargh, Z. Chan, I. Saunders, Mr. McCarthy (coach). Front: D. Allen, C. Ravenhill, H. Cho, M. Walker, J. Wood, C. Godfrey, C. Cade M. Persson.

The early part of the season was a trying time: trying to win line outs against tall people; trying to win scrums against heavier people; training to tackle faster people, and trying to score a try. After heavy losses to St. Georges and Shawnigan, we managed to put some points on the board against S.M.U. through some determined running by Thano Gatzionis. By late October the outlook was bleak, 0 and 5 in the I.S.A. league, despite gallant tackling and a team spirit that remained miraculously intact.

The mid-island playoffs provided an opportunity for us to register a win and, with the aid of over age Grade Nines Hugh Cupples and Porter Stroble, we beat Cowichan High School and Kelsey to claim a berth in the Island Championships.

St. Georges visited us with a team that scored over 50 points in our September encounter, but which were unable to understand why we were a different proposition this time around. With the aid of under age Grade Elevens, Kevin Fuller and Andrew Wray we turned the tables and began to believe in ourselves.

The Island Tournament provided an unexpected finale to the season. In the first round we won convincingly against Chemainus, putting us into the semi-finals against Oak Bay. In a close fought game,

we lost narrowly, 22-13, leaving us with a play off for fourth or sixth place against Dover Bay. Inspired by the knowledge that a win would place them higher than Shawnigan, the team held on in a classic mud bath tussle to win 22-21.

The team effort was outstanding and to mention individuals is almost unfair. I will, however, point out three. The forward pack was led by the redoubtable Thano who improved enormously in the course of the

season and whose presence and work rate on the field were inspirational. In the back Hyun Jun Cho tackled fearlessly against opposition literally twice his size and proved that courage was the better part of valour. Finally, Mark Walker, scrum half, captain and leader through example, simply refused to quit and brought his team from the lowest of ebbs to the self-respect and the enjoyment of the game that they richly deserved.

Row: B. Nichols, J. Suh,
J. Webster, N. Morriss,
I. Mendenhall, J. Lu, M. Hoshi.

This was a very difficult season to be a Colt rugby player. As we first assembled in early September, it was clear to us all that there were few among us who would qualify as "gifted athletes" and that any success that we achieved would be from sheer hard work. The group trained as a single entity on most days and steadily the skill level rose and the degree of fitness with it. As we began to work at team skills, it became clear that there was no abundance of large nasty forwards! We would have to strike fear into the hearts of the opposition through force of will rather than by the law of physics. The faint of heart were few when forward places were assigned and those "chosen few"

rose to the challenge in a courageous manner.

The season began with an encouraging game against Shownigan at which we scored 4 tries and were clearly the more cohesive team. James Suh and Christian Jones had outstanding games. This was followed by successive losses to S.M.U. and St. Georges after which our boys came out to practise harder the next week, determined to do better. We were again beaten by Shownigan, but the return games against the other two schools were very different matters. At St. Michael's our defence in the back stiffened and our very active back row led by Neil Morriss produced a fine try by sustained pressure. As we battled

up-hill in the second half, Chris Milne's tackling of a larger, faster center showed courage of a very high order, as did Minoru Hoshi's covering from the scrum half slot. In the final Independent School game against St. Georges, the forwards rose to the challenge and would not be denied possession of the ball. Mike Toews and Derek Allan drove their opponents backward in scrums while Jaron Good caught lots of line-out balls at #4. We moved the ball well and almost sprang free Chris Godfrey at one point. Dan Bargh and Jon Webster kicked well and the center defence was again solid. The game was almost lost at the end, but Dan covered across and hammered St. Georges' huge winger into touch!

When we were able to play against a comparable physical opposition, we really showed what we could do. At Shownigan the enigmatic 'C' team took the field and scored 56 very attractive points in a shortened game. Joel Barnett even found the end-zone once! Against Dover Bay we played very well, over from a maul and Jon Webster streaking 65m through the middle to score under the posts. As I said at the beginning, this was not an easy season to be a Colt rugby player, but as Henry might have said, "These happy few, this band of brothers" had much to be proud of by the end of their campaign.

Mr. Burrows

Colt 'C' Rugby

The Colt C's had their fair share of characters this year. They also had their fair share of victories. The fact that the team remained unbeaten was a result of the loyalty and commitment of the grade 10 group to rally around. Because of this, they had their moments of pride. Moments like the two victories over Shawnigan. None of us will ever forget that second victory of 55-0, nor the feeling of team unity nor the way our opinions of individuals in that group changed after watching them that day. Rugby may not be these boys' favourite sport, it may not even be their second or third, but each showed a dedication to his teammates that deserves to be commended. Long live blind animals, long live skull caps and long live the Colt C's.

Paul Fenton

v. Shawnigan 34-22

v. Shawnigan 55-0

v. Dover Bay 12-0

Of Mice And Boys

"Mr. Henry, can we go play field hockey?"

The "wee mice" were particularly diminutive this year, but as Tyler West exclaimed they were "feisty". The season began remarkably well as the mini-mites won their first three games, but Elliot Peacock's broken hand took him out of the lineup for most of the Independent Schools' games. Without our top try scorer and captain at number eight, we lost to the much larger and more experienced teams from St. Georges and S.M.U. Still, it was a good learning experience, and new leadership materialized in the persons of local stars Derek Gosling (standoff) and Peter Hackett (outside center). All of the players improved their skills dramatically and came to love the game — especially when it afforded the opportunity to play against the girls first XI (Field Hockey)! For that reason alone, they will never forget this season — just ask Ramon Iturbide!

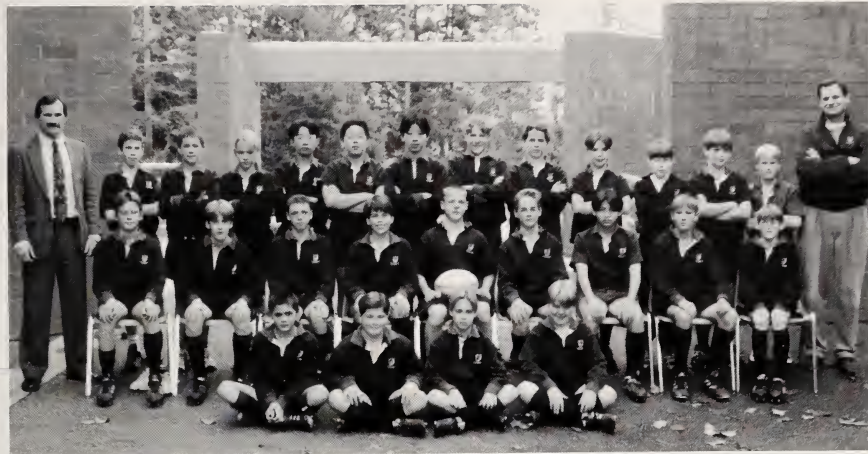

Steve Cowie and Ian Henry

The first XI decided to challenge the mice to a game of rugby. The girls with no experience were 'beat up' in the first half, but the second half was a different game. Both teams worked harder to win, but in the end the girls did it.

First XI Hockey

The 1st XI girls were a plucky, hardworking group who continued to uphold the characteristics of most senior Brentwood teams of the past few years. The team was not quite so successful though, because it lacked two ingredients not conveniently found in any school population if they are not apparent at the beginning of the season: a prolific goal scorer and a dominant playmaker operating effectively in midfield. Apparent throughout the season was a spirit of determination and the ability to give our best against the strongest teams in the province such as Cowichan, K.L.O., and Frances Kelsey. Our record is a proud one: the majority of games were won; we scored more goals than our opponents; and several of our losses were merely by a one goal margin. Our Achilles heel was that we failed to score in fifteen of our games and too often these were key games upon which tournament success depended. We can, however, take pride in our reaching the final of the ISA tournament where we lost 1-0 to SMU, and finished 9th out of 24 schools in the UBC Invitational Tournament, 9th out of 16 in the Bridgman, and 3rd out of 6 in our North Island "AAA" League. It was a heart-breaker that we lost to Oak Bay in the Island Tournament, a result that meant we failed to qualify for the "AAA" provincial tournament, a very rare situation for Brentwood!

Several of the older players were at last year's provincial tournament and it is to be hoped the younger players in the 1996 team will be part of a team that will qualify in November 1997.

Amber Palmer (captain) led the team with passion. A heavy bur-

Back Row: N. Gosling, E. Tolmie, E. Valentine, L. Maclean, L. Ayearst, C. Livingstone, R. Whitney, R. Kinkead, Mr. Martin (coach). Front row: R. Foster, K. Mills, J. Allard, D. Dickinson, A. Palmer (captain), J. Maclean (vice), E. Hackett, M. Paterson

den of responsibility fell on her experienced shoulders. She was given valuable assistance from equally passionate Jennifer MacLean (vice-captain). Both produced ideas and suggestions for rearranging our playing positions in an effort to find combinations which would produce goals. We were successful with our defence because we only permitted one goal against on average, (33 goals against in 35 games). Virtually no player other than our goal-keeper, Rhiannon Foster, played in only one position. Rebecca Kinkead, Dana Dickinson and Katie Mills were particularly fluid and adaptable in the roles they were asked to carry out. Nicky Gosling, Megan Paterson and Eleanor Hackett were stalwarts of defence, backed up by Leah Ayearst as the season advanced. Nicky's consist-

ent performances were the key defence success. New to senior field hockey, Lizanne Tolmie and Lindsay MacLean made significant progress in gaining a sense of what is important to achieve as a midfield player. Our strikers, Jen Allard, Rebecca Whitney and Erin Valentine had their moments of glory but were not consistent enough scorers to satisfy themselves or the needs of the team in crucial games. Carey Livingstone made a strong contribution on the right wing and should be a power in next year's first XI. Ultimately, the main goalscorers were "part time" forwards, Rebecca Kinkead (10) and Dana Dickinson (9).

Cold, wet weather was the typical late November backdrop for our house tournament won by Whittall, with Rogers and Ellis sharing second place. Privett

players seemed to have fingers and toes that froze more rapidly than those of the other houses.

At the U.B.C. Invitational Tournament the girls finished ninth out of sixteen schools. Above *Left: Rebecca Whitney, Carey Livingstone and Katie Mills rest in dorm. Above Right: Bundled up against the rain the players grab some lunch while Megan Paterson dutifully does some prep.*

Field Hockey

FIRST TERM SECOND XI HOCKEY

Back Row: S. Lewis, T. Holmes, K. Bernard, L. Conway, A. Goran, J. Gregory, Mrs. Slade (coach). Front Row: C. Taylor-Ross, M. Jones, A. Sacks, J. Hawrishok, H. Maxwell, K. Wilcox, N. Kiernan

Despite injuries and illnesses, the 2nd XI had a successful season. Not involved in a competitive league, we played many exhibition matches. The girls improved individually and as a unit, playing with increased confidence by season's end. We may not have won many

games but were definitely attacking more than defending by the end of the year. We need to keep working at putting the ball in the net, but you know what they say: "getting there is half the fun". Next year's team will have a strong starting base. A special mention goes to Julie

Hawrishok, our goalie who had a very busy season playing the 2nd's, the 3rd's, and the Juniors. She played strongly throughout the season and improved every time she stepped on the field. We all appreciate the hard work required in that very difficult position.

The entire team played with determination and enthusiasm and sometimes surprised themselves with their capability. I hope they all continue to play the game. Well done ladies, and thank you for an enjoyable season.

Melanie Slade

FIRST TERM THIRD XI HOCKEY

Back Row: S. Liu, S. Giger, C. Skinner, M. Langdon-Wilkins, L. Garvey, N. Nakai, N. Murphy, Mr. Wynne (coach). Front Row: M. Lang, E. Effa, C. Enojo, H. Hoesli, A. Cook, S. Turyk, S. Coulson, J. Hawrishok

There were several experienced players to bring along the 'rookies' and as the season progressed there was a significant improvement in many aspects of the play. The beautiful 'Indian Summer' weather allowed us to practise stick skills on firm dry

pitches. This was to change later and our last days were played out on November snow. We played in the junior league and won a few games against younger but very skilful opponents. The level of sportsmanship was high and I was proud

of the team's achievements on the field and their enthusiasm day to day. The rewards for most improved players go to Christy Skinner, Sarah Turyk and Azura Cook. Sadie Coulson was always aggressive and Kylie Corcoran was the most re-

liable defensive player. Julie Hawrishok developed remarkably in the goal.

This is a great group with which to work and I commend them for their enthusiastic and their indefatigable attitude.

R.S. Wynne

1st XI:
Won 6, Lost 0, Tied 1.
Goals For: 22, Against: 2.

THIRD TERM FIRST XI HOCKEY Back: Ms. Slade (coach), T. Suzuki, A. Bradley, R. Wood, R. Grimes, B. Rees, E. Bensted, W. Duguid, Mr. Martin (coach). Front: D. Lapeyrouse, N. Kameron, N. Schuetz, E. Mason, N. Roper, A. Palmer, D. Dickinson.

THIRD TERM GIRLS XI Back, Left to Right: Mrs. Ferreira (coach) C. Marko, C. Rezac, N. Gosling, C. Manning, C. Livingstone, S. Coulson, C. Hooper, R. Kinhead, E. Valentine, Mr. Wynne (coach). Front: K. Love, A. Palmer, C. Laurie, A. Hobson, V. Pickles, A. Flemming, S. Skoretz, E. Hackett.

THIRD TERM JR BOYS' XI: Back: Mr. Wynne (coach), D. Barbour, C. Manning, D. Allen, C. Jones, D. Neff, T. Philippson, Coach Martin. Front: Ms. Slade (coach), R. Wood, D. Lapeyrouse, J. Woodward, O. Madrick, R. Whitehead, Mrs. Ferreira (coach).

The 1st "boys" team enjoyed an unbeaten season in the third term of 1997. We beat the local high schools, Cowichan and Chemainus, twice each. The most impressive achievement, however, was to beat St. George's 2-0 on the Island and 1-0 in Vancouver, something we had not done in twenty years. The 1st XI was captained by Ted Mason who matured both as a leader and as a player. The experience and competitiveness of Neil Roper, Bryn Rees, Takuo Suzuki and Nico Schuetz (all in grade 12) gave the team stability while the several talented younger players produced all round strength, particularly in the performances of Lee Ferreira, Richard Grimes and William Duguid. Alex Bradley, Rory Wood, Eric Bensted and Nick Kameron continued to learn and improve from their regular inclusion in the first team. One of the great "finds" of the year was the goalkeeping of David Lapeyrouse (Grade Nine). Finally I acknowledge the courageous play of Amber Palmer and Dana Dickinson who were not intimidated by the male environment. Our third term programme also included a girls' XI (all ages) and a junior boys' team (Grades 8 to 12) playing in the Cowichan Valley Junior Development programme. Our junior boys were consistent winners while the girls often ran into rather strong opposition. A good feature of our involvement in the boys' field hockey in the third term is the participation of several Brentwood players in regional and provincial competition. Representative players in 1997 included Tom Philippson, Lee Ferreira, Richard Grimes, Takuo Suzuki, Neil Roper, Ted Mason and David Lapeyrouse. The boys' house tournament was a series of excellent games that ended with Ellis edging out Privett as overall winners.

H.J. Martin

Junior A

Our field hockey season began as usual in September with a shaky team, unsure of our capabilities on the field. However, we soon were on a roll. We took our first victory from Kelsey, the first winning game of many. We soon realized that our team could go far and the confidence level was boosted, something very important to have as a team. Special mention goes to the 'young'uns' on the team, Selene Amezcua, and Charlotte Manning, for both being strong, talented players who easily managed to match the level of play, always putting up a strong fight against opposing forwards. Congratulations also to Tara Medina, in Grade Eight, who played with the 'A's a lot and proved to everyone that size or age does not make a good player; it's all about courage. Thanks also to Lauren Brown who sparkled for a second year player with her speed and goals; she was an immense help to the team. We managed to break S.M.U.'s eight-year winning streak at the ISA tournament and took the cup for ourselves, a result of a full effort from everyone. We went into the qualifications for the Mid-Islands with full aggression and came out on top. We were up against tough competition, including Cowichan, who had not lost a game yet. We played an energy-wrenching game against them in our pool and managed to have the best game of the year, keeping the score to 1-1. However, in the final they scored a win over us. Although we were less successful, the overall season was great, as our team built a reputation for itself. Thanks once again to our coach, Mrs. Ferreira and those who are fortunate enough to experience them. Well done to everyone!

Amy Walker

(back) C. Manning, B. Yeager, C. Rezac, H. Mills, L. Brown, C. Hooper, C. Marko, Mrs. Ferreira
(front) S. Mitchell, K. Love, T. Medina, A. Walker, A. Hobson, S. Amezcua, E. Shoop

Sore throat, Esther?

Sideline for a snack

Junior B

Here, in the Cowichan Valley, field hockey is not a sport, it's a way of life! There are five players from this area who are playing for the Canadian Under-21 squad. Therefore, the standard of play locally is, at all levels, very competitive, particularly so at this level where the beginners have to face more experienced opponents.

Junior B:

Back - S. Skoretz, R. Kerswell, A. French, G. Madrick, A. Murray, J. Van Order.

Front - A. Fletcher, V. Pickles, J. Soucy, K. Burkmar, T. Medina, K. Bilash, Mrs. Linn (coach).

The junior midget group was made up of relatively inexperienced girls from Grades 8 and 9. They played against all the strong local junior high schools and they competed throughout with lots of courage. Their skill level improved, too, as a consequence of their intensive skill, drills, and hard work. Indeed, in their end of season tournament, they finished in third place out of eight teams. This represented a great effort from a willing and committed group of going athletes. I have deliberately not singled out any individual players for special mention. This was, above all, a group achievement.

Next season, many of these players will go on to play for the Junior A XI. I hope that they all continue to practise their skills, enjoy the game and carry on the successful tradition of Brentwood field hockey.

Sr. 'A' Girls Volleyball

So what do mountain climbing, quarry swimming and relaxation exercises in a five day span add up to? If you guessed Volleyball Training camp you would be surprised to be right. What a difference a year makes. The whole regimen was revamped for more fun exercise activities and team building opportunities. This was a surprise to the old hands but a welcome relief. This year's training camp was probably one of the most successful. It brought together a mixed group of dedicated junior and senior players for a lot of Volleyball and some hard work. The camp brought the club together and set the stage for competitive seasons at both the junior and senior levels. This was a building year with only three members of last year's team back. Led ably by Captain Maureen Brown with assistants, Megan Stone and Grade 11 setter Lydia Kingsbury, the team quickly gelled and formed a hardworking unit. The ISA Tournament was held at SMU with the usual slate of teams attending. The tournament was a learning experience for all, but the whole system quickly started to come together. Lydia Kingsbury, now a seasoned veteran in Grade 11, had Jennifer Makinen, Megan Stone and Brandie Carter hitting hard from the middle. Backed up by excellent blocking from both Jen and Megan we managed to place third in the round robin coming up against perennial rivals, York House in the semi-final. Despite losing to York in the earlier match, the team rallied behind amazing defensive play from Maureen Brown and Alana Silverman, to defeat them easily in two games, winning 15-2 in the second game. The final pitted Brentwood against cross town rivals, Shawnigan. After a long day both teams

were tired. The first two games were split, each team winning 15-13, bringing the championship to a third rally point game. It seemed back and forth, with Shawnigan eking out a 16-14 win in a heartbreaking third game. Nonetheless it showed the equality in strength between the teams. Then it was on to the UBC Tournament, a tough 48-team tourney, with teams coming from as far away as Manitoba and Ontario. Our first two matches in the three-team round-robin were tough, sending us to the consolation round. Here we picked up some steam and finally lost in the semi-final of the consolation round. As always, it was an eye opening and learning experience to see some of the calibre of volleyball out there.

It was with great energy and high spirits that we left Victoria Airport bound for Calgary and the Western Canadian Independent Schools Volleyball Championships. For Maureen Brown, Stephanie Swift, Lydia Kingsbury and Jennifer Makinen it was back to home turf with familiar faces and scenery around. We had a wonderful time. The hospitality of the Brentwood parent community was overwhelming. Mrs. Barbara Stone, Megan's mom accompanied us as our official chaperone. She was surrogate mom for all the girls at various times. We were also joined by Mrs. Barbara Swift, Stephanie's mom who was designated chauffeur, shopper, tour guide, fan and also surrogate mom. In addition we had help from Mr. Basil Carter, Brandie's dad, Jennifer's dad, Maureen's family, Lydia's cousin, as well as Old Brentonians and friends. All in all, the welcome there was overwhelming... and we played volleyball, too. Our first day of the tournament was not our

best. We played tentatively and thus lost a few matches. In contrast, our second day was far better. We came out sharp and played well. The entire bench contributed, with each player showing strengths at different times. In the end we found ourselves in the Consolation final up against a tough team in St. Angela's Academy. The team rose to the occasion with strong serving and dynamite defence. We managed to capture the consolation title. Lydia was named the team's MVP for the tournament as voted by the other coaches. It was a memorable weekend in Calgary.

Upon our return and after the midterm break we made the short trip to Qualicum Beach for the North Island Tournament. We already had a berth to the Island Championships since we were the hosts, but this was an opportunity to show that we deserved the spot. We played very well, especially against the host school, Kwalikum Secondary. We avenged a loss to them four years ago in a grudge match for a place in the Island Championships by defeating them in three games 15-12, 13-15, 15-13. In the end our final placing was hard to determine, but was somewhere between sixth and ninth.

The following week was the Island Tournament at Brentwood. The eight team tournament was a showcase of excellent volleyball. The dominant team was from Powell River who easily won in the final. Facing tough competition, we played some great volleyball at times, scrambling well and showing tremendous consistency against some teams. Our goal was to place better than last season's eight place finish. That we managed by defeating Ladysmith and coming in seventh, a respectable showing, especially considering

our school size and the youth of our team. The team was voted The Most Sportsmanlike by the coaches and referees.

It was a very successful season of volleyball with much more to come next year as most will return as Grade 12's. We wish our graduating Grade 12's, Michelle Klau, Megan Stone and Maureen Brown, all the best. We thank Aya Hirahata for her contribution as she returns to Japan next year.

We saw great passing and defence from Alana Silverman and Maureen Brown. Lydia Kingsbury has found her niche in setting and now calls a well disciplined offensive attack. Jen Makinen and Megan Stone became THE WALL as they blocked everything in sight. Brandie Carter will forever be remembered for her grunting as she contacted the ball but she did so very effectively. Stephanie Swift was solid on the rightside, or in the middle, or was that at power!? Louise Pickles has developed her setting to a consistent level playing well to give Lydia a rest. She also made the best statistician around! Bryony Baker and Daphne Hume both played middle, improving in all skill areas tremendously from the beginning of the year. On the power side both Aya Hirahata and Michelle Klau, though not regular players, improved their hits to a high power level and showed great potential in game situations. All in all, the bench was supportive, motivating and patient at all times!

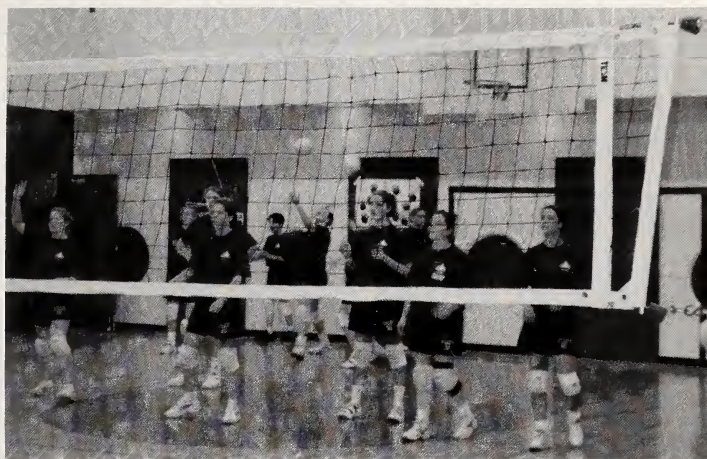

Maureen Brown wanted a family, a team that stuck together. With her assistants she built that and did so very well. She led her fellow players by example and did it with a great deal of pride. Well done! Volleyball just gets to be more fun every year. I love it! Bump, Set, Spike! *Mr. Khanna*

Girls Volleyball

I was privileged to be assigned as coach for the Senior 'B' Girls' Volleyball team during the first term. The team consisted of ten enthusiastic, keen and talented players who, for some reason or another, were not noticed for the Senior 'A' team.

We trained every Tuesday for two to three hours when we did not have games. The girls were very motivated and were always keen to train.

We were also fortunate on some occasions to have guest coaches come along and join in, and pass on their expert knowledge. Through out the term we played a number of games and also competed in a tournament in Duncan. Although we did not always win we still enjoyed every game. The 100% effort and commitment that were displayed on the court were excellent and the leadership shown by the Grade Ten girls was also very good. It is very encouraging to have up and coming Grade 10 and Eleven players for next year; no doubt many will be pushing their way into the Senior 'A' team.

Many thanks to Laura Jones for an excellent job as captain, and to all the girls for a very entertaining and enjoyable volleyball season.

I wish you all the very best with your chosen careers, whether it is volleyball or something else. I look forward to seeing you all down in New Zealand one day.

Life is all about experiences and fun, and this season the Jr. Girls volleyball team had both. The girls started the season with energetic bodies, eager minds and great attitudes, so it was inevitable to have a successful season. The success that the team experienced was not only because of the talent the athletes exhibited, but also because of team work. The team spirit by everyone on the team, playing or not, contributed to the victories. The team was led by two captains, Veronika Voracek and Hanna McDonald. Going almost undefeated in the league and winning four of the six tournaments, they ended the season with a fifth place finish in the Island Championships. This is the best ever Brentwood performance for Jr. Girls Volleyball. I hope that all the athletes will continue in developing their skills, as well as their great attitudes and personalities.

-P.L Meindertsma

After the intensity of high level competition the Junior Girls rest and re-fuel.

Played 15 Won 6 Lost 6 Tied 3 Goals for 28 Goals agnst 23

"STORM-TROOPERS"

All the boys on the 1st XI soccer team can look back upon the 1996 season with pride. They accomplished a great deal, tasted victory many times, and blended into a cohesive and skilled side. For a coach, they were a wonderful group with which to be associated. They shared a common goal (especially on corners), played a highly talented level of soccer, and displayed fine comraderie and sportsmanship.

Peter Brown set the tone early. Nursing a broken hip, he added to his role of captain by being a coach on the sidelines. His advice, his strategy, and his exhortations were warmly accepted by the whole team. This encouraged others to voice their opinions and viable tactics. By season's end, this democratic team blended to become the most cohesive group with whom I have worked. They were very supportive of each other. I would like to thank them all, and to congratulate Peter on his outstanding leadership.

For the first time ever, the team came back for a 5-day training camp in August. This gave us an early edge in September as we went on to win 3 of 4 league games, including a spirited victory over Cowichan. We also entered exhibition tournaments in Victoria and Ladysmith. This gave us the opportunity to play all 22 players on the squad - yes, 22 is a very large squad! Tied games in these two tournaments sent us to penalty shoot-outs which were to prove our nemesis.

October saw us in the second half of league play. We prevailed in a wild 5-3 victory over Kelsey, slipped against Ladysmith and faced an all-important game against Gulf Islands. On the day, a storm of Hollywood proportions produced hurricane force winds and torrential rain. Amazingly, the Saltspring team caught the only B.C. ferry operating that day. When Saltspring arrived, our boys, not thinking any opposition would show in these conditions, had been playing 5-a-side for 40 minutes and so were "pre-soaked." They were clearly mentally fired up. Two early goals gave us the important edge, and we rounded out the day with a tremendous offensive performance to win 7-0! Great fire, spirit and determination were keys to victory. Never mind the 11 cases of hypothermia in Sick Bay!

After that stunning triumph, we faltered and never quite regained our form. A loss to Cowichan over mid-term was followed by a lacklustre performance against Woodlands in the North Island playoffs. This left us in need of a victory against Max Cameron School for a spot in the B.C. finals. We played a very strong game, dominating territorially, but we could not score the vital goal. And so, on we went to a penalty shoot-out, our third of the season. It was nerve-wracking stuff; could we win this one? Our marksmen hit 5 good shots but two were brilliantly saved so we lost.

It was tragic for this fine team to fall short of glory by so little. I hope they soon forget their lost chances and remember only that classic day when they beat Gulf Islands and won the league "by storm".

Senior Girls

The Senior Girls Soccer Team played with both eagerness and determination this year. Our competitive season started at the end of the second term, throwing us straight into our first game situation. The girls played well against Francis Kelsey but unfortunately lost 2-1 in the final moments due to a penalty goal. We then managed to get a few practice sessions in before our next game versus Saltspring. Once again we were unlucky to report a 2-1 loss, despite aggressive forward play and solid defensive work. Cowichan High was next and the girls were ready, despite a few injuries. The team played very well and were starting to come together as a group but Cowichan's experience led to a 4-0 loss for us. Due to various postponements etc., we had to play Cowichan again two days later. Once again we played very well but lost 3-0. We then had a ten day wait until playing Francis Kelsey in our last league match which would place the winner in a play-off game versus Ladysmith for a chance at the Island Championships. The girls played an excellent game against Francis Kelsey and won 3-1. The following week we were off to Ladysmith where unfortunately we were unable to stop their very skilful and aggressive play which resulted in a 6-0 lost. Despite our relatively short season the girls were eager to play and keen to learn. We finished our season with a few 'friendly' matches against Shawnigan which were enjoyable and allowed players to try out new positions.

I would like to thank all the girls for their hard work and commitment and especially Adrienne Mitchell for her superb job captaining the team.

Junior Girls

Our first encounter of the season, against Gulf Islands, proved beyond doubt that goalkeeper Charlotte Manning was our most valuable player. Her clever use of the crossbar and posts (and occasionally both) kept the score to a very respectable 1-0. Several home games followed with wins against Kelsey, Q.M.S., Prevost and Lake Cowichan. At the back we were strong with aggressive tackling from Lucy Brown and Kharytia Bilash ably supported by Crystal Marko, Morgan Benson and Harriet Mills. Midfielders Joelle Plomb, Aisling Murphy and Annie Mullins combined well and were always running. Up in attack we had the deadly boot of Colleen Rezac and for a while at least, her 'partner in crime' raiding every defence Amy Walker. Of course we must not forget our wingers, Tara Medina, Lauren Brown and Lizanne Tolmie. All the girls played with great heart and enthusiasm, particularly in the Mid-Island Tournament in which we finished third beating league winners Quamichan. I would like to thank all the girls for their efforts over the season and for being a pleasure to coach.

Back - J. Larsen, I. Mendenhall, Mr. Fenton (coach) Middle: M. Collinson, P. Stroble, D. Allen, D. Bargh Front: M. Persson, C. Godfrey, G. Reich, C. Cade, J. Wood, M. Hermssen

"Through these fields of destruction,
Baptism of fire,
I've watched all your suffering,
As the battles raged higher,
And though you felt so much pain,
Never once did you cry,
You did not desert me,
My brothers in arms."

The words above describe the journey through war. As a team we went through a similar passage this season. With just one win from eleven competitive fixtures we suffered more than most. The fact that the boys stayed committed, united and positive is to their credit. One thing these boys did not lack was spirit.

There will, however, be a lot of "what ifs" that we will all remember. Twice we were in the lead in our first game against St. Georges, and a penalty miss by J. Woods in the second game meant we lost by a single goal. We dominated Francis Kelsey for 60 minutes hitting the bar (P. Stroble), post (M. Woodward) and keeper (whole team) when we should have scored. We lost on penalties to Shawnigan after leading at half time, hitting the post from two yards (M. Chow), having three one-on-ones (D. Bargh) with their goalkeeper and scoring an own goal (I. Mendenhall). We were two nil up against Shawnigan in the play-off tournament with fifteen minutes left when Porter Stroble had a one-on-one break-away called back by the linesman (Shawnigan's bus driver). Shawnigan's second goal was ruled offside by the other linesman (M. Collinson) but overruled by the referee. We lost 3-2.

No wonder I started being mistaken for Mr. Linn; my hair had no chance.

I would like to thank all the grade 10's who played in the I.S.A's and the grade 9's who played third term in the Mid-Island League and tournament. Without their contribution the team would not have been possible.

To the grade 10's who played both terms: my two captains Chris 'colours' Cade, James 'tiger' Woods; the backs, Dan 'defense' Allen, Ivan 'Speedster' Mendenhall, Mike 'play anywhere' Persson; The midfield James 'playmaker' Larsen and the goalscorers Matthew 'he can't miss again from 2 yards...' Oh yes he can' Chow and Dan 'Golden Book' Bargh, thank you for always keeping a smile on our faces.

Front: P. Hackett, D. Cupples, C. Manning, T. Medina, C. Roberts

After three years coaching the under 16 boys team I took over the grade eight and soccer team this year. It proved to have its own unique set of challenges quite different from the older boys.

The breadth of skill and expertise within the group made practices quite difficult, but the spirit of the group soon shone through.

The group was large enough to create two teams although the younger team did need to call 'reinforcements' from time to time. The 'A' team soon identified themselves and we began preparing for the ISA season. Craig Crooks was a courageous goalie and no one worked longer before and after practice trying to improve. The defence represented him greatly and played all the harder in front of him. Kevin Garvey was the key at sweeper, possessed of sound ball skills with both feet and an excellent sense of position. Despite his lack of speed I do not remember an opposition forward getting behind him. On the sides he was ably supported by Garth and Jonathan who became hard, aggressive full-backs who were very difficult to get past. Mark, Jeromy, Tom and Diego were a hard-working mid-field that always wore out the opposition. At forward Elliot carried the brunt of the work ably assisted by Cailen McKenna, James Effa, and Georg Woernle depending on circumstances. Elliot and Porter gave us great striking speed up front, but their attacks could only be launched by Diego's pinpoint passing.

The team beat St. Michael's team twice and against St. Georges secured a win and a draw. At the end of the ISA season the stronger players joined the grade 10 team group for the local junior high season. It provided the team with depth and provided the grade 9's with valuable experience for next year.

The grade eight ISA season was limited to two outings against St. George's. The junior girls teams loaned us Annie Mullins and Charlotte Manning, who divided the goal-keeping chores and played sound defense, and Tara Medina who played very well at striker. The team was coached very well by David Hawkins.

Senior Boys' Basketball

SR. BOYS' BASKETBALL Back: Mr. Johnston (coach), T. Boyar, E. Mason, G. Brown, C. Murray, K. Tmana. Front: I. Bishop, J. Hsu, R. Wu, N. Kurosu, A. Hoshi, M. Keith-King.

wait for the rebound.

"It's mine," says Max.

Robin drives to the hoop and looks for the open man.

As a former coach of the Senior Boys and spectator at many senior games this year, I was very impressed with the talent and superb organization of this year's team. Mr. Johnston has coached some of these players for three years now and it shows! They are a well-drilled squad who work hard on team defence and use several sophisticated offences.

In the highly competitive Mid-Island League Brentwood was in tough against Frances Kelsey and Chemainus. We pulled off a couple of early upsets of Kelsey and duelled Chemainus for first place in the Chemainus Tournament. In the end we came 2nd but gave the home school a big scare.

In the Island Tournament, which we hosted, we were ranked 8th and finished at that level out of 16 teams, but certainly showed we belonged there. To win the tournament, however, we must move into a different stratosphere inhabited by the likes of Lambrick Park.

One of the highlights of the season was the team's victory in the Collingwood Invitational Tournament. In that tournament, as they did through the year, Natsuki Kurosu (team captain), Robin Wu and Graham Brown, led the team in scoring and rebounding. These three were also recognised for their play by being selected to the North Island All-Stars for a game against the South in which Graham was the North team's top scorer.

To the Grade 12s Mr. Johnston wishes all the best and thanks them for their stalwart contributions. To the 11s he would like to see them return next year in top shape to start first term training for the upcoming season.

Senior Girls' Basketball

SR. GIRLS' BASKETBALL

Back: M. Paterson, A. Baxter, K. Bernard, A. Palmer, C. Livingstone, B. Raphael.
Front: Mr. Henry (coach), L. Sweet, L. Tsui, I. Hirahata, S. Bailey.

Under a new coach, Mr. Henry, the Senior Girls entered the season fit from hard practice sessions and committed to playing the team game. Limited in terms of height, they used a fluid, running and passing game, but it was difficult to establish the fast break without a dominant rebounder. The leadership of grade twelves Sam Bailey, Megan Paterson and Amber Palmer established a strong work ethic which was followed by talented grade elevens like Carey Livingstone, Kim Bernard and Brooke Raphael. In the end the competition in the North Island "AA" League was too tough this year and the girls missed the playoffs. However, they never gave up in any game and they showed that they could win consistently against single "A" schools.

Mr. Henry certainly enjoyed coaching this enthusiastic group of girls. He looks forward to working with the returning Grade 11s and those graduating from the junior ranks next year. In the meantime he has told the Admissions Director, Mr. Allpress, to be on the lookout for tall, athletic girls who might be interested in bouncing a big, round ball.

The grade eight boys' season is detailed in the table of wins and losses. The story behind the statistics was to be provided by Morgan Baylis, one of our co-captains. However, he turned out to be not nearly so reliable as a scribe as he was in rebounding and defence. If memory serves me there were a few interesting stories to relate, including Malcolm Walter's foray onto the court for the Duncan Christian game. The ball seemed bigger than him, but he astonished the onlookers by sinking a three pointer. Drayton Salkeld also became a bit of a "trey" specialist, making three of them in the championship tournament. I also remember the game against Prevost B which was postponed at first and then back on again, causing me to scramble together six players to suit up for the away game. Foul trouble was the inevitable outcome but great service from a jittery Gabriel Mak saved the day.

Our superb undefeated season, league championship and tournament title were the results of a team effort, but we must not overlook Elliot Peacock's leadership as co-captain (and his 279 points in thirteen games did not hurt either). I also applaud Diego Sanchez for his tremendous surge in the playoffs to take the pressure off Morgan and Elliot. Solid in defense were Derek Gosling and Peter Hackett with Derek adding some key baskets and Peter some vital rebounds. The whole squad worked hard practicing on fine arts afternoons, and produced impressive results. They should form the basis for an excellent junior team next year.

-SMC

Junior Boys Basketball

The Junior Boys Basketball Team this year was a real mixed bag of talent and athletic abilities. On the split between the A & B teams we kept and played all of our fifteen players with an average of twelve or thirteen players dressing per game. The result of not cutting anyone made for many brutal scrimmages in practice as the boys kept on challenging for starting roles. The games were very interesting as our 'platooning' system made for many exasperating moments as we strived for winning combinations of talent. The two basic platoons were led by Owen Madrick our captain, and James Larsen at the posts, and as point guards, the Michaels - Hermesen and Woodward. The shooters and gunners on the team were Porter Stoble, high point man on the team (158 points with 13.2 average), and Minoru Hoshi, our three point man.

It was a very average year with a 5th place finish in our Mid-Island League out of twelve teams. We won nine games and lost eight including the playoffs when we beat Chemainus who finished above us in the league then lost to Cowichan and Shawnigan in the Championship round.

The highlight of the year was in a game at Lake Cowichan. We were playing 'lousy', down 43-34 with three minutes to play. I was steamed - took a time out told the boys what had to be done and they shut down the other team. Mike Hermesen sank a three pointer at the buzzer to send the game into overtime at 43 points each. We were two down in overtime with ten seconds to play, our ball on the side, I shouted at Mike Hermesen to come to the ball which he did. He turned and shot a 'three' for the win.

It's a great game!
-Clyde Ogilvie

 Front: D. Small, I. Wong, D. Fung, J. McClean, P. Brown, J. Goetz, J. Goethals, D. Hunter.

In the sports world of Brentwood where rugby and rowing dominate, there is little recognition for Squash, which is usually filed somewhere between Track and Field and aerobics in the level of importance. This fact is a pity, because squash is such a terrific sport, among the fastest and most exhilarating in the world. Yet, thanks to this standing, the characters that join are extremely loyal and modest (squash players are not in it for the glory).

This year in Squash the team voted for its captain, Peter Brown, and the vice (pronounced wise) captain Josef Goetz. Pete was our hero, the patron saint of squash. This year, he made the quarter finals of the Under-19 nationals, and basically, won everything else. Joe didn't fare as well, but he was the butt of a few interesting and colourful jokes by our first coach, Traves Black. In competition, Ivan Wong, a modest, quiet and immensely talented squash player, fared well. Stefan Buski, a not so modest, and not so quiet, but equally talented player, was fortunate enough to join Pete at the Nationals, but injured himself during the first game. Two other players deserve to be mentioned: Derrick Fung, a five year player, for his skill and ability to always show up for practice, and Erik Walle whose confidence inspired us all.

Thanks to all the players for keeping the sport alive, and thanks to the coaches. Traves, may your days teaching tennis at Shawnigan be bright and merry, and to Troy Brown, thanks for all that you did. A special thanks to Mr. MacLean who guided us in spirit. Hopefully next year we can be more successful.

Mr. Wynne, sleeping on the day job!

Cross Country

The recreational running group attracted twenty-one eager, participants. Julie Branch was the youngest female runner, Angella Goran the most experienced, Lydia Kingsbury the most tenacious and Nicki Gosling the shortest and most enthusiastic. These girls ran through some horrendous winter weather and survived dark afternoons on forest trails and flooded meadows. Two

hundred miles is a mammoth task under these conditions, but most of the girls were successful.

Among the boys Bryn Rees proved to be the fastest even with his tender tendons and quirky hip. Chuck Ravenhill and Jon Coleman were the galloping twins who usually got lost together, while the Oriental Connection of Andrew Ha, Rex Wong, In Sup Chung, Chris Chung and Andrew Hsu somehow followed the coach's dubious maps and managed to find the bus before they were abandoned to darkness and hypothermia. Finally there was Michael Sanderson who should have known the route from the previous year, but rarely recognized the "familiar" terrain.

The annual Long Beach weekend was very memorable as we endured icy rain showers, gusty winds and fleeting sunny breaks. The surf, the crabs, the steak and the fellowship were all as good as ever.

My thanks to Mr. Martin for assisting me this year and Reg Beniac who helped us on our Victoria runs. We negotiated two sections of the new 'Galloping Goose' Trail and will certainly add this run to our program next year.

Sr. Tennis Team - Back: **Mr. Biondo** (coach) **N. Gosling, C. Taylor-Ross, L. MacLean, K. Klaus, A. Silverman, P. Tong** Front: **T. Tarrant, C. Robinson, R. Whittington, D. Hawkins, E. Gurak, J. Sells, M. Kobayashi**

This year's tennis team featured talent from around the world. Enthusiastic grade elevens made up the majority of the team. The three grade twelves, E.G., Tom (TNT), and Dave added humour and spirit. The season had its ups and downs but it finished off triumphantly.

The year started slowly with two frustrating losses to Shawnigan (3-8, 5-6). Despite the perpetual rain, we trained hard and went on to demolish Parksville 8 matches to 3. Our confidence was back and we were determined to beat Shawnigan at the ISA's. Before heading to Vancouver for the ISA's, a mix of senior and junior players entered the Westwood Open Tournament in Nanaimo. After watching Pearl's 2 ½ hour marathon match against Jackie, Craig and Rich stayed up all night to play their matches. The next day Pearl and I lost to SMU's all-star Mariko Miller and her partner to finish third in the womens 'A' open. The days were long the nights were longer and Pearl's match was the longest.

In preparation for the ISA's our team needed some sleep, some sprinting drills (directed by Rich) and some inspiration. On the ferry ride to Vancouver we were anxious; Rich bought all of the scratch and win tickets, Tyler read "ym" magazine, and Lindsay ate chocolate cake. Although Mr. MacLean promised it wouldn't rain, it did. The boys milled around the St. Georges campus while the girls ate lunch and watched hockey at UBC. After a too familiar rain delay, the tournament began with the girls' disappointing loss to SMU and a similar loss for the boys at St. Georges. The girls finished 4th and the boys, despite Craig's three 'tie breaker' victories, finished third. We had one last chance to pull our team together.

After ranking 5th on the island, we were seeded last going into Provincials and placed in the toughest pool. Fortunately, with home court advantage we defeated our first opponents, J.N. Burnett 6 matches to 5. Craig's courage and intensity inspired our team. Although we lost our next match to the #1 seed, Vancouver College/Little Flower Academy who finished 2nd overall, we still had a chance to place in the top eight. Our next match against SMU shattered our hope of placing in the top four. We lost 5-6 before the sun even came up in Nanaimo. We regained our confidence, but not our fighting spirit after defeating MEI 4-0. We then lost our last match of the season to Oak Bay. "Eye of the Tiger" was just no match for the "Winker." We placed 6th overall - the best in Brentwood history!

As "Let's Hear it For the Boys" pounds in my head (you too, Christy?!?) I look back on the season with relief, satisfaction, and fondness. We struggled, but we had fun. We learned that tennis is not always about winning. I wish the grade twelves and Katharina all the best in the future and I look forward to another year of exciting tennis.

Thank you to all the people who made the '97 season a great success. Thank you to Lindsay, our manager, for carrying all of my stuff. Thank you to Vince for staying awake, eating the sandwiches, and squeegeeing the courts. Mr. MacLean, thank you for always reminding us to have two ball to serve with.

Maybe it will stop raining. Mr. Biondo - Thank you especially for your excellent coaching and support throughout the season. Until next year - "play hard, have fun!" 'Black Magic' lives on.

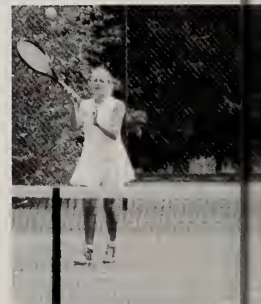

-Alana Silverman

Brentwood College Rowing Club

The rowing club continued to prosper this year and our numbers grew to the expected level of 120 participants. In the senior school there were very few experienced men or women, but the Lightweight squad had a boat-load of three or four year men and so were able to fill the race card in every division during the regatta season. The Senior Heavyweight men and women had to bring along novices and could only make token entries or none at all in the open eights events. Our Colt squad had difficulty getting near the winners podium, but won the quad event at the B.C. Championships. The novice boys took a long time to bond, but when they did they produced an exciting crew with lots of spirit and great momentum on the water. St. Catharines was a different experience for me, being the first time in 25 years that we did not compete in the men's Heavy Eight. However I got to coach three singles and two different two man boats which made my days full and exciting. All the crews from Brentwood who rowed there were a credit to the school and our club.

As head coach I would like to thank all the coaches who worked with us this year and especially John Queen and Suzanne Walker who ran the office and did all the paper work. Below is a list of the coaches and the crews they coached.

My final word of thanks goes to Steve Titus our boatman who made life many times easier for all the coaches and especially for me with all the small boats I was putting on the water. I have never seen the shells looking so good or the boathouse in such good condition.

Varsity Heavyweight Mens Rowing

This article is usually under the heading "first eight", but this was the year that we had no event that we could designate with that title. Instead we had a small group who prevailed through a long and bitterly cold winter of training and rowed in all the small boat events in the regatta season. There was no doubt that in this group we had the best straight pair of schoolboy or club junior in the province and the provincial champion double and quad, two of whom although novice, went on to win a silver medal at the Canadian School Championships in the Senior double. In every way they proved their quality on Mill Bay and other local waters, but they needed another four young men with similar goals and dedication to boat the eight oared crew that we have grown to expect from the Brentwood boys community.

In specifics a quad scull was developed in January and raced in the "Head" races in the winter term. The crew did well in the early going and won the Mill Bay Head, but because of illness did not race at Shawnigan. Their next outing was in small boats at the Victoria Spring Regatta and both the pair and double were successful there.

A training group was held during the spring vacation on St. Mary's Lake on Saltspring Island. Five young men, one coach and his wife/cook/mom joined Allan Wood, who is a resident near the lake, to spend four days rowing, eating and sleeping. The weather was not entirely kind, but even in a gale we found some place to train and use our time wisely. This little camp created the technical and fitness base to attack the rowing season. Our line ups suggested that we had a fast pair, but we also rediscovered our quad boated with Scott Frandsen in the bow, Alex Lee, Mark Nitychoruk and stroked by Sean Wall. This combination went very fast and won their races at every regatta attended in the final term. The pair contained Mark and Sean from the quad while the double had Luke Ridinger in the bow and Scott Frandsen as stroke. These combinations also were unbeaten until we reached the final of the national championships in St. Catharines.

While these groups were having racing experiences many of the young men were also competing in the singles. Scott Frandsen as a novice was being thrown in to battle the Senior Boys Open Single against larger, older and more experienced scullers from Shawnigan and Victoria. As his race experience developed he slowly came level with his rivals and finally passed them all at the Nationals. Luke being a colt and novice had two divisions to race single in and so picked up several first places in the early regattas. He came up against some well coached and fit young colts from St. Georges that he could not match in the single, but took great pleasure in defeating in his double races. Ian Bishop and Dustin Hooper joined our group part way through the final term and took to the single sculling work with great enthusiasm. They also were able to race the novice division and won the B.C. Championships at Shawnigan Lake in their singles. This prompted them to seek a shot at the Nationals in the lightweight single division.

Four members of the club from the eleventh grade or below joined Allan Wood on our mid-term break to race in the Pacific Northwest Regionals on Vancouver Lake near Portland. They raced a quad (just missing the gold by inches) won the novice single with Luke Ridinger performing for his family in the home crowd and totally bombed the high school coxed four event. By all accounts this was a relaxing weekend that set the stage for the end of the season races at the Nationals.

St. Catharines is the perennial best city for the CSSRA (Canadian Secondary Schools Rowing Association) Regatta. It is also the best city for the 1999 World Championship and work was in progress to prepare the site for this major event. Dredges, pile drivers and the like were every where on or near the course and huge new islands of dredgeate were in evidence. Our gallant group of five were entered in three singles, one pair and one double and it appeared that we had picked the most competitive year in more than a decade as far as sculling was concerned. Heats semi-finals and finals were needed in most events. Luke did not qualify in the open single, but all other entries went on to the second round. The double scull with Luke Ridinger and Scott Frandsen won the semi-final in good style and had the fastest time on that day. In their final they led until nearly the half way, but were passed by a stronger and more experienced double from Ottawa and try as they might they could not regain the gold medal position and settled for a silver. Sean Wall and Mark Nitychoruk also won their semi-final with comfort and rowed better than the winners of the other races in their event, but that was with flat water and a slight tailwind. On the final day there was a gale force headwind on the course making the strait zone very rough and causing the race to be 30 to 40 seconds longer than normal. They also led through the first half of the race, but were caught by the biggest schoolboy pair that I have ever seen. This Hamilton pair and another pair of grade thirteen students stayed ahead to the final line and our boys settled for the bronze medal.

Ian Bishop who had made it his goal to reach the final at Nationals in the single did so in fine style in his heat. Again he rowed his best race on the Saturday with its following breeze. On final day he also experienced difficulties with the gale force head wind and although he fought valiantly to advance further he wound up with fifth place, but having already achieved his personal goal.

In closing, I found this year to be a rewarding one in which my skills as a coach of small boats were enhanced albeit by necessity. The athletes enjoyed the lack of pressure in training selection and racing. They developed their individual skills and raced to the beat of their own inner drum rather than to a group need. In all of this they missed much of the camaraderie generated in the eight oared crew, but overall the experience was a very positive one for the athletes, club and coach.

Boys' Varsity Lightweight Crew

Looking at the line-up for the '96 - '97 lightweight squad in September, the prospect was exciting. A wealth of experience coupled with considerable athletic talent (not to mention an average IQ which was positively indecent) had to lead to success. Right from the outset, there was a very strong bond holding this group together. Many had rowed together for three years already and there was an almost tangible, common motivation and group-oriented goal. That goal was set; a gold medal in the 70 kg. Eights at the Canadian Championships.

Selecting an eight from the fourteen contenders was not going to be an easy task. There were really no bad oarsmen, only grades of good oarsmen. Competition for the seats was keen and, after seat racing and erg testing, the results were still not clear. I finally settled on a combination that seemed to work and the remainder formed a coxed four.

Throughout the early competitions after Christmas, the eight dominated. It looked good and it was good. The taste of eventual success was in all our mouths. At Elk Lake, we won the Men's Heavy J.V. event (U-Vic J.V., who actually beat us, were disqualified). At Brentwood Head of Mill Bay, we were the fastest highschool eight and were beaten overall only by UBC. At the Head of Shawnigan Lake, we finished 4th overall and were beaten only by a National Team eight and university crews. Throughout all these early competitions, confidence and skill levels were growing fast. At some point during those winter months we abandoned oars and took to the mountains for a three day retreat and some skiing at Silverstar. Kindly hosted by the Hoopers, this proved a welcome and most successful break from all the heavy training.

After Spring Break training camp, we prepared for Brentwood Regatta and I was a little apprehensive after hearing some reports of lightweight crews from below the border turning in some very fast times in their local regattas. We need not have worried. We won the first division of the Heavy Eights in the Sprints and then went on to win easily in both the Lightweight Eights and the J.V. Eights. In addition, the four won its event easily and so did the quad and the single. Never before had Brentwood Lightweights won so many events at a major regatta. That taste got stronger!

Twenty years ago, the Brentwood Lightweight Eight won gold at the Canadian Championships for the first time and paved the way for a programme that has been very successful ever since. Blair Horn, who stroked that boat as a Gr.10, eventually went on to captain his university crew and to stroke the Canadian Olympic gold medal eight in 1984. Every member of that '77 crew returned this year for a reunion dinner and then rowed against the '97 crew as a highlight of Brentwood Regatta. It was a poignant moment for me as I watched these two superb crews together.

The local circuit finished with the B.C. Youth Championships and Shawnigan Regatta. There was little competition in the Lightweight Eights and we won easily. We also won the Lightweight Fours. With some trepidation but great determination we raced in the Heavy Eights, came 1st in a four-boat field and returned an extremely fast time. Another first; no lightweight crew had ever won this event before. The taste was very sweet and strong now, but.....At St. Catharines we could not get ourselves into gear. Somehow, we just could not reproduce that beautiful rhythm so evident at the B.C. Championships. We finished with bronze medals, knowing inside, that the colour could, and should, have been different.

This report would not be complete without recognition of the fine captaincy of Adam Scheuer. In this role, and as stroke of the eight, he has led by example, and provided leadership of the very highest order not only to his own crew but to the whole club. Captains of this ilk come along but rarely and I count myself fortunate to have had the opportunity to work with such quality. Adam has a distinguished future in front of him, I suspect.

My sincere thanks, also, go to my assistant coach, Stephen Stamp, who has provided many hours of invaluable advice and instruction to the crews and helped to take some pressure off me. His first-hand knowledge and skills were truly helpful.

I conclude with some extracts from a letter I sent to each of the crew after our return from St. Catharines.....

My dear Lightweight Crew of '97,

You must forgive me for writing this - I hate making speeches and find that I can express myself better in this medium.

Two weeks ago at this time we were preparing for the Finals of the 70 kg. Eights and Fours events at the Canadian Championships. Since that time, I have done a great deal of thinking and, as any coach should, have tried to analyse the year and its outcome.

Three factors go towards ultimate success; skill, physical preparation and mental preparation. Unquestionably you were far superior in the first of these, to any crew there. I have heard coaches talking of your technical skills in near disbelief. I have heard National Team and Olympic coaches and oarsmen speculating on how a school crew could possibly have reached the levels of proficiency which you had achieved. On the water, you demanded attention and got it, for the sheer beauty and poetry of what you were doing. Even those who knew little or nothing of rowing, felt their eyes drawn to watch this exercise in precision and recognised it for what it was - almost an art form.

In the second factor, physical preparation, you were prepared better than any crew I have coached. You had a boat full of superior athletes whose strength and fitness levels were as good as any school lightweight crew on the continent. In the eight, your erg scores from the last test were better than either of the boats that beat you and probably better than the much-touted Adam Scott crew scores.

Both of these first two factors led to impressive successes at Brentwood Regatta (an unprecedented 6 gold medals) and of the eight at Shawnigan where, for the first time ever, a lightweight crew won the Open division in the Provincial Championships. Your time in that race, when extrapolated to 2000 m would have won the Canadian Championships last year by approximately three lengths!

Which brings us to the third factor Here is where I somehow failed you. The mental preparation of his athletes is the hardest part of a coach's role in any sport and, clearly, I was unable to fulfill my role in this area. Perhaps a Tony Carr would have put you in the winner's circle by handling this third dimension differently and more effectively.

That I was bitterly disappointed by the final outcome of our year, I cannot deny. I was more sure than ever before that you would be on the podium but, it was not to be. I shall go to my grave believing that you were the best crew there, and regretting my inability to give you what you so richly deserved.

What you will carry with you always, will be some superb achievements, some superior skills and some fine memories. If you row for your university over the next few years, you can be sure that you will bring to its programme much that coaches will be only too happy to acquire. Some of you, I suspect, will go far in this sport.

And now, in a few short days, you will be going your separate ways, starting on the next phase of your lives. An exciting time, a challenging time but, you have demonstrated already, how well you can meet life's demands, and you will succeed. You will always remember each other and the good times you had together and, in twenty years time, when you have your reunion, you will recall it all as being far more than just a year of rowing.

For me, as your coach, you have provided a similar challenge. You have tested every ounce of skill I possess and then some. You have pulled from me the will to give you every last bit of energy I could muster. I have not regretted one moment of it. We have had our good times and our testing times but I would like to think that we have met the difficulties together and dealt with them as best we could. It has not always been easy.

Next year I shall be taking a sabbatical and will not be coaching. As you know, lightweight rowing has been my passion for many years. What I have tried to build at Brentwood must now stand on its own feet without me, and it will be a test of our club's ability to sustain a program which brings so much to those oarsmen under 160 lb. who are, nevertheless, superb athletes.

You have, and will always have, my deepest respect and affection for what you are, who you are and what you have achieved. You have given me a year of the sort of quality which most coaches can only dream about. I shall miss you. Good luck, good fortune and may the years ahead bring you all you hope for. I salute you all.

Now, I shall indulge my penchant for chocolate. Please pass me an After Eight!

John L. Queen

Varsity Girls Rowing

Varsity Girls Eight. Back: **M. Paterson, A. Reiss, M. Boyar, B. Raphael, N. Murphy, K. Burkmar, L. Pickles, N. Braun, H. Mills, L. Kingsbury, Miss Walker** (coach) Front: **S. Turyk, T. Medina** (cox)

This year's Women's program started out as a predominantly novice one; we had only five experienced girls come out to the senior program, and around the same number to the junior girls' program. But with a novice group comes fresh faces and a sometimes welcome change. Our powerhouse grade eight's, unique senior novice boys, and the lightweights with their ever evident 'presence'. Whether it was helping the senior boys tape their good luck charms onto their boat, or making sure our drawstrings were tight when the lightweights were around, the girls always had a smile and managed to have fun.

After several months of trying different boating combinations, enduring countless ergs and hours on the tanks, the Women's program managed to put some winning boats into the fall head races. When racing season came around our combinations were still ever changing to pull through with some amazing victories. From our wet weekend at Delta Deas with the grade eight boys and their gallons of spaghetti, to the girl's killer quad, our backwards pair, and our self-destructing boat we managed to stay sane. Then the first big moment for all came, the Brentwood Regatta. We endured a water cyclone, buckets of rain, and a few illegal but incredibly fun combinations. The junior girls, senior novice girls, colts, lightweights, heavyweights, grade eight's, and even the infamous novice boys all came away with medals, aching muscles, and big smiles.

The next challenge that was met was at Shawnigan Lake-the B.C.'s. This was incredible for all, nearly everyone managed to pull off one or more victories against Shawnigan. The greatest vision of the regatta, next to the lightweights not soon forgotten victory, was watching the grade eight boys finally beat a crew and come second with ecstatic expressions on their faces. Everyone came away from Shawnigan happy and healthy, but then the real work came, preparing and making final decisions for the crews attending St. Catharines. After what seemed like infinite early mornings, disappointment, and strong determination, the Varsity girls crew of six seniors and five juniors, the lightweights, and the five heavyweight boys were off to give the crews out East a run for their money.

With enthusiastic parents, coaches and one tired 'spectator', the Brentwood girls managed to make the finals in two boats, come away with a school boy medal, and even beat the boys in a little bowling. The lightweight eight and four managed to make the final and after two exhausting races came away with a well-deserved medal. The double of big 'little' Luke and Scottie managed to blow us, and the competition away with their extraordinary silver medal. The pair of Sean and Mark also had a great race and came away with their rightful medal. And finally little (now big) Bishop managed to make the final after only three weeks of pain, sweat, and determination.

All the crews were a great success this year and should be very proud of their accomplishments, especially all the girls from my favorite B boat to the St. Kitts eight and fours. Our success is not only due to the hard work. But also the strong commitment of all the coaches, captains and our boatman Steve. I have endured and seen a lot over my crew foing down without convincing fight, because we have such strong determination and a will to succeed. Finally, I have never seen, through San Diego, England and St. Kitts, Mr. Queen's arms or legs.

I wish everyone the best, as I am now not the one being left, but the one leaving. I know we will all miss the purple chins, swollen knuckles, and friendships we have made. But I leave all of you in capable hands. A thank-you to Ms. Walker, Mr. Carr, and Mr. Queen for all their hard work, support, and commitment.

It has been fun!

Megan Paterson

Girls Captain and Head of the Boathouse.

Junior Girls Rowing

This year's season started out with a strong spirit all around, and an incredible desire to win from all. It also began with countless ergs, runs, and other unique off the water training, but I guess all the work paid off when we look at our season!

We began our season with head races, and began our tradition of popping energy pills; I suppose the needed boost came because the Junior A girls did not lose a race all season, and the Junior B girls never lost their sense of fun or their drive to win. The season was a great success, starting with all the medals at Brentwood Regatta and our gold at the B.C's (Shawnigan Lake). Finally, five of us travelled east to the Canadian High School Championships and managed to return with a bronze medal in the four as well as a top six placing in the eight. This year was a lot of fun and I know all the grade tens are sad to leave for the senior crews next year. However, I know the grade eights and nines will keep up our traditions, and have an equally successful season.

Thank you to Ms. Walker, Ms. Peters, Mrs. Sage, and Mr. Wood for all their time, support and effort; it was much appreciated and prepared us well for the challenges we met, then conquered.

Junior Boys Rowing

September brought together a motley bunch of boys, some of them knowing what to do, others asking me (while pointing to the boats) "What are these for?" I knew this would be an interesting year. After a couple of days of tank/barge work, our loveable leader (Rags) told Mr. Purdon that we should get into the Butler, a boat famous for being "unsetable." First term ended with our crew being no better than when we started. Uh-oh!

A chilly second term of rowing till dark yielded some rewards, however, so it wasn't a complete waste of time as some Colts might have believed. A first place in the eight in the Head of Mill Bay race, and a second at Shawnigan's head race lifted our spirits slightly. Second term closed with the loss of a coxswain, the gain of another coxswain and then the strange disappearance of James Suh and Hyun-Jun Cho. You may have noticed no mention of Mr. Purdon's coaching for this term; that's because he also vanished for a term. In his place we had Mrs. Steinbrink-Kelly cracking the whip. She was kind enough to introduce us to the 'erg' a machine molded in the forges of hell. Thank you very much Mrs. Kelly.

In the third term with the addition of James Larsen, Lisa Cooper, Mr. Purdon, and Owen Madrick we stumbled into racing season. Matt Foulger faded into view as well, with plans to later overthrow our coxswain Tom Philippson. Match racing at Elk Lake was, to most of us, our first taste of high speed racing. Ouch! Despite some hard times, it was a fun year. Thanks to Mr. Purdon, Mrs. Kelly, Carol Butler, Rags, the 6 seat, and The mighty teflon wax! Uh, it's done ... Let's go!

Grade eight fearsome foursome of **Ramon**, **Derek**, **Diego** and **Donny** (not in term photo above) emerges from the mist. Can you identify the phantom coxswain?

Senior Novice Rowing

The Senior Novice crew nearly wasn't this year. Without two late crew additions, we would have been unable to race in any boat larger than a four. As it was, the crew only had one practice in an eight before their first regatta.

At the Elk Lake "Dueling Over a Grand" regatta, the Senior Novice Crew, or Team S, as they started to call themselves, suprised everyone with their size, power and lack of technique in taking it all the way to the semi-finals before bowing out to a more skilful Shawnigan crew.

The Maple Bay Regatta featured two very close races, in the coxed four and in the eight, with Team S winning both by the narrowest of margins. Again the victories were the result of the raw power of the crew, though there was a noticeable improvement in the level of skill.

The Brentwood regatta drew crews from all over the west coast of Canada and the U.S.A., and from as far away as Australia. In the 500 m. sprints Team S overpowered their opponents to win easily, but such was not the case in the 1500 m. Races. In the four and in the eight, Team S finished second and third respectively, to crews not much smaller than themselves who had been rowing together all year.

These were the first races against a group of Grade 12 students rowing for Victoria City R.C. Victoria City would prove to be Team S's nemesis for the rest of the year.

On the following weekend we travelled to Vancouver for the Delta Deas Regatta. Team S had two excellent practices during the week and went into this regatta feeling very confident. Their confidence was well-founded and they overwhelmed their opponents in the coxed quad and the eight. In both races the winning margin was greater than 30 seconds. The coxed four raced in a timed final. The fastest time from two different heats would win. In the first heat, Team S crossed the finish line 42 seconds ahead of their nearest rival. The second heat was a much closer race won by Victoria City, who finished first overall by a mere 2 seconds, relegating Team S to second place.

The final regatta was the Shawnigan Lake School/B.C. Championships. Again, Team S raced in the coxed four, the coxed quad and the eight. The four finished in second place. The winning crew? Victoria City. The quad raced just half an hour before the eight and were told to save their energy for the eight race, if they felt they were not going to win. The result was a fourth place finish. The final race was the best race of the season for Team S the first and second place crews were so far ahead of the other four crews that it looked like a two boat race. Unfortunately, for Team S, it was Victoria City finishing in first place again. But in this race Team S proved that they had more than power. They showed that they had the skills necessary to race against top quality competition.

Senior Novice 4+ - T. Townsend, R. Wood, J. Ouellet, P. Dembicki, Mr Wood. (coach) Front: J. Allard (coxswain)

Senior Novice 4+ - T. Townsend, C. Ledesma, R. Whitehead, B. Connor, Mr. Wood (coach) Front: J. Allard (coxswain)

Who's got the Spirit?

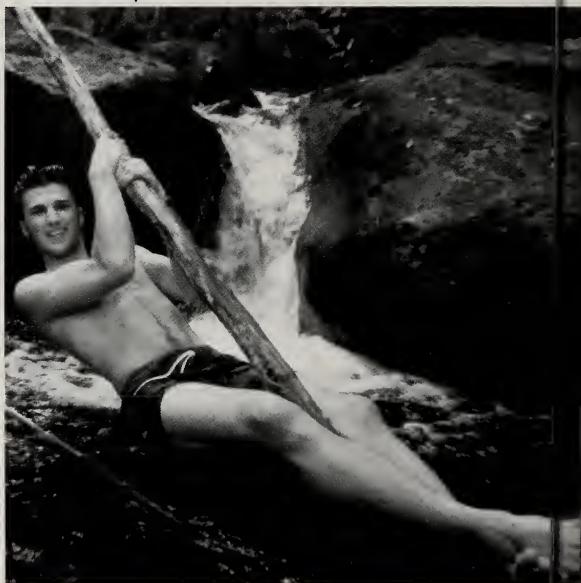

Jocelyn shows support for Adam after St. Catharines.

The old masters show their team spirit.

Henry's basketballers and the rugby supporters have it.

Above: Eric gets into the swing of it on tour.

Below: The frisbee gang has found it.

Alice gets a lift from Geoff.

Charlotte and Selene have it together.

WE DO!

The Rogers boys found the winning spirit at the track meet.

The rowing gals and their favourite coach know what it takes to win.

Mark Rybchuk embodies the school spirit at the Brentwood Regatta and the participants on the Terry Fox run know all about the community spirit.

Swimming

First term swimming saw an all time increase in team numbers, as there were thirty team members. The issued of team and family were important factors in the term and played an important role in goal-setting sessions and team-building days, one of which saw the team swim in the bay. Yes it's very cold! This was followed by riding on an inner tube at very high speeds behind a fast boat. Many a wipeout in the aforementioned cold water left team members with great memories. In competition, the team attended the Island Championships for the first time in many years. We went in with lots of spirit and small expectations. After sacrificing their mid-term holidays and training many early mornings, the swimmers were just eager to compete. Our results at the meet were amazing. Finishing an unbelievable second place overall, of twenty-eight teams from all over the island, we also won the high point trophy for 'C' swimmers, and won a relay trophy. In individual honors Sean Wall won the high point trophy for the meet. This meet was a provincial qualifier and four of our boys made it to the Provincial Championships. They were Sean Wall, Chris Brodie, Steve Blackmore, and Nigel David. All the boys went to U.B.C. and all of them made provincial finals; that is, they finished in the top eight in each of their events in B.C. This is an amazing accomplishment considering they were competing against the best swimmers from over 140 schools in the province.

The year ended with a party at the choac's house and prizes for all the team members. I commend the excellent work of all the athletes involved and send a special thanks to team captains Marco Rusconi and Reed Osler who did a great job helping their coach and fellow swimmers.

The aqua chorus line.

How many swimmers can you identify by their legs?

Touch Football and Ultimate Frisbee

The second season of Touch Football and Ultimate Frisbee produced some memorable passes, catches and, most notably, team names. 'The Wetbacks', 'Derd Dit Darts', 'Elsinore Wash-Ups', 'Skeleton's Children', and 'Johnny Five is Alive' graced the fields with their skills and desire to win.

The Ultimate frisbee championship (The Frisbee Grail) went to IKSTRFO, and Scott Meyer was the league's MVP. The latter half of the term saw 'Johnny Five is Alive', captained by Paul Kenway play some close games. Nevertheless, Paul boldly took his team where no team had gone before, to the 'Bol d'Or' (the championship trophy) with a practically flawless record. Christian Ledesma richly deserved the league's MVP. His daring acrobatic catches and touchdown runs were 'TSN Turning-Point' material.

What made the season a success was, undoubtedly, the great camaraderie of all the players. Each team had a distinctive flair, chant, and touchdown dance, which is what the dual sport needs, high caliber fun in a competitive setting.

On behalf of Mr. Henry, I wish to thank all of those who added their name to the dual-sport roster. It was an experience, albeit an adventuresome one, to coach and referee these sports and, although not everyone went high in the Frisbee/Football draft, there is always next season. Hope to see you there.

-Grant Kenay.

2nd place team - G. Myrfield, G. Reich, S. Meyer, C. Livingstone, J. Hsu, R. Kwong, R. Chan, J. Wood, M. Salkeld

The losing student touch football team. Johnny Five is Alive.

The winning staff Touch Football team.

Golf Group 97

" Limerick of the Links "

If golf were invented in Ireland instead of Scotland, then
the Brentwood golf group could be described in limericks:

In the Brentwood competitive squad
Frandsen, Baker and Hole got the nod;
There were Dacyk and Yao
(Five was all They'd allow) -
At the tourneys they flogged lots of sod.

The warm-up at Fairview was great
Frandsen sparkled with seventy-eight
The rest kept the pace
And captured fifth place
Though at one-o-two, Hole moaned his fate.

The North Island play-offs were tough
With long, narrow holes and deep rough;
We forgot how to putt
So did not make the cut
Our scores were just no'low enough.
(to qualify for the Island Tournament).

In Cowichan Valley schools play,
Woernle, Morriss and Lu had their day
And Amezcua too
Showed what she could do
So most of the games went our way.

Then the March Meadows tournament came.
The team hoped to show off its game,
But there's not much to gain
In torrential rain;
I admit we were soggy and lame.

In the school's own Rob Soukop Cup -
The top players seemed to "hiccup".
Even Frandsen's game flagged;
On the last hole he gagged
It was Morriss who held the prize up.

Georg "explodes" from the sand.

Patrick being himself in staff student match.

Above - Mr. Cowie discovers that "the woods are full of long drives".

Right - Mr. Prowse gives Georg a "victory hug".

Golf Group

Back - Mr. Cowie (coach), G. Taillieu, K. Yao, Mr. Garvey (coach), G. Baker, J. Larsen, P. Hole, M. Baker, R. Hicks, P. Dacyk, B. Decker, C. MacCarthy, M. Rybchuk, N. Nakai, N. Morriss. Front - J. Lu, T. Aylward-Nally, G. Woernle, M. Klaui, S. Amezcua, T. West. Missing from Photo - S. Frandsen.

Mr. O. gets air time.

Above - Scott and Kevin on the practice putting green.

Below - Mr. Ross' chipping impresses Jason and Kevin.

As for the rest of the group
Who slogged through the mud and the goop,
Decker, Rybchuk and Hicks
Learned lots of new tricks
Like how to play golf in the soup.

Potential stars Baker and West,
Were not at all times at their best.
Malcolm Baker for one
Said he plays just for fun,
But competes pretty well, I'll attest.

MacCarthy and Klaui were keen
So were Taillieu and Larsen, I've seen
But Nakai and A-Nally
Must have thought the game folly
While at practice they worked like machines.

Though we'd like to play more in the sun
This term on the golf course was fun.
We all worked on our skills
And had plenty of thrills.
My report (not my golfing) is done.

SMC

Triathlon

Back: P. Hacke, R. Grimes, H. Fletcher, L. Cooper, B. Mullins, J. MacLean, J. Lourenco, Mr. Meindersma (coach) Front: C. Godfrey, R. Osler, L. Aris, K. Eligh, N. David.

Jennifer MacLean keeps in shape for Triathlon by winning the Inter-house Cross Country.

Reed and Jennifer are grinning to bear the cold.

"We have a dream; we've been to the mountaintop!"

A "triathletic lie-in."

Alice - finished at last!

We've got your number **Andrea**.

Above: Who says **Leigh**
Aris is injury prone?

Left: **P.L.** shows **Paul** and
Brent the proper method for
wrist-wrestling.

Sailing

The BCS Sailing Program went through some changes this year. To begin with, a new Head Coach, Cindy Sheppard was hired. She is a NCCP Level 4 Coach and graduate of the National Coaching Institute. An experienced national level coach and competitor, many of her sailors are competing in Olympic Class boats and at the national level. Cindy is keen to develop a strong racing program here at BCS. We also welcomed the patience and enthusiasm of Alistair Hardie, the assistant coach, who has a true love of sailing.

The sailing program expanded with the addition of six Bytes and two Lasers. The Byte is the most widely raced youth boat in Canada. We hope to have more efficient equipment storage and launch facilities in the future, along with a more practical coach boat.

This year the competitive sailing team traveled to three BC Youth Circuit events including the Canada Games Qualifier. The Brentwood Sailing Regatta is now part of the Circuit and was well attended. We can look forward to an expansion of this schedule as the team continues to develop. Next year we plan to win back the Rogers Cup from Shawnigan, enter a team in the Swiftsure Junior Challenge Yacht Race, and travel to the Byte Midwinters in Florida.

We welcome anyone to the program who is willing to learn. Beginners progress through the Canadian Yachting Association Sailing levels and compete when they are ready. No experience required - all we ask is that you "Sail Hard and Have Fun."

Many thanks to Victor Lironi for establishing a sailing tradition at BCS, his support and assistance was appreciated throughout the year.

Happy Sailing!
-Cindy Sheppard
-Alistair Hardie

Competitive Sailing Team - Back to front, left to right: **M. Stone** (captain), **B. Seaman**, **L. Townsend**, **S. Blackmore**, **A. Vallejo**, **M. Keevil**, **J. Wheeler**, **Mr. Hardie** (coach), **Ms. Sheppard** (coach), **E. Effa**, **K. Mills**, **S. Gigler**, **T. Kreutzer**, **M. Foulger**, **M. Walter**.

capsizing.

Coach Sheppard.

Matt and Malcolm.

Captain Megan.

Friends forever.

Imagine this...you are sitting in a classroom with some of your best pals working innocently enough on a worksheet entitled "Safety on the boat" a.k.a "How not not kill yourself on the Hardie", when the door of the room is suddenly flung aside and a man with a thick pony tail and a Navy Seals t-shirt, and his calm blond sidekick glaring you down.

Question # 84: What are the best strategies for survival in this situation?

- A. Yell "Ahhh it's Tim."
- B. Yell "Mike lives on forever"
- C. Assume the HELP position.

Sea Rescue is a blast! This year we've accomplished goals beyond our wildest imaginings, such as gaining our Canadian Marine Radio License, our First Aid certificate, Crew Level I, and part of our Emergency Medical Technician (a course taken by ambulance drivers)....as well as the goal of finally throwing Tim in the water.

We spent from 25 to 36 hours working on boats at the Brentwood regatta, driving officials back and forth, and watching shell after shell glide past our safety boats. Thank you David and Jeremiah for keeping us entertained during those long days on the water. Steve, we know the radio was really on. By the way, if you guys haven't figured it out yet Mr. Carr's coach boat is Off Limits!

Like many other boaters in the area, VCG enjoyed listening to our conversations regularly, though the Coast Guard Auxiliary Unit #34 admitted we've done the best job of students in the history of Sea Rescue, despite mishaps (Liz giving John diving practice by dropping the fire pump intake hose overboard). Now that the German boys are leaving along with Kevin, we will have to become a whole new group without Bat-boy's for facial masks. Our "Leif" in next years class will not be the same. Thanks to Mr. Wheeler for the donation of the GPS and to John Thomas for his patience with us.

Our trips to trial island (18 ft waves) and RCC were fun and "enlightening", but the best was our 3 day final exam at Portland Island. Aside from breakdowns, rain, and the new personality quirks that were uncovered, the weekend was challenging enough to put our year of training into perspective. Our victims ranged from downed planes to hypothermic dummies to three drunk boaters (thank you for your superb acting jobs Eric, Ed, and Leif). But we survived and saved Tim and Rhonda from total insanity. Without Sea Rescue we would still be normal, but that might be a bad thing. Thank you Tim and Rhonda, you have probably influenced our lives...and we will never think the same about the Navy Seals. Smile Rhonda...you are on Candid Camera!

See you guys next year!

Hawaii Volleyball Tour '97

Over this March Spring Break eight members of the Volleyball team, went to Hawaii for two weeks of pure paradise. Although Mr. Khanna was unable to come because of his unfortunate last-minute illness, Nurse Decker gladly came with us and was simply fantastic.

In Honolulu, we were put up by billet families, who were great.

The first day we played some beach volleyball at the local club and we were by far the whitest on the beach. We then played in a tournament and did rather well, winning Most Sportsmanlike Team. We went to the stadium and watched the University of Hawaii men's team play and they were incredible, literally.

During our stay we must have visited almost every tourist attraction Hawaii has to offer, including: Honauma Bay and the North Shore which was truly amazing, wouldn't you say, Lydia! And also, the Dole plantation.

After our eight days in Honolulu we went to Hilo, on the Big Island, where we all got leid! Unfortunately, it was really rainy. We visited an active volcano and, of course, the macadamia nut farm!

Our twelve days in Hawaii were very memorable. Thank you to Mr. Khanna for organizing the whole trip for us and to Nurse Decker who made the trip memorable and for putting up with Jackie B.'s music, "Baby got Back"!

Too bad you couldn't have come Shrawy; we missed you, but we all look forward to next time.

Jacqueline Connor

Scenery, sunglasses and sun screen had to be endured by the intrepid tourists in between volleyball games.

"But I don't need a cold shower" says **Rex Wong**.

Barbados Field Hockey Tour

**Cam Wilton, Rory Wood, Neil Roper, Bryn Rees, Nico Schuetz, Mr. Wynne
Chris Cade, Lee Ferreira, Mike Woodward, Richard Grimes, Takuo Suzuki**

Our first stop was the little island of Tobago. Before playing any games, we spent three relaxing days on the beach in order to climatize our bodies to the 30°C heat. We were fortunate to have a few cloudy and rainy days just to keep the sun off our backs. Another challenge was sharing the practice field with the cricketers soccer players, and a hoard of bleating goats! Our hotel was situated in a tiny fishing village on the north coast of the island. The village was very impoverished, with dirt roads and simple housing. Most of the locals were quite friendly, and we made many friends, young and old, during our stay.

Barbados was a lot more built-up and popular than Tobago -not to mention expensive! We were extremely delighted when we played all of our three games on a new Astroturf that had recently been constructed on the island. Unfortunately, the heat got to us in our final game of the tour as we were forced to play under the midday sun. Mr. Wynne organized his seventh and final tour to the Carribean. We all had a tremendous time over our spring break.

-Lee Ferreira

Tobago:

- National Ladies - WON 7-0
- Men's Club- WON 6-1
- National Ladies- WON 4-0

Barbados:

- Schoolboys Selects-WON 5-1
- Cumbermere School-WON 4-2
- Schoolboys Selects-LOST 1-2

Rory stretches it out
